## 2016 California State Science Olympiad Champions for the NINTH TIME IN ELEVEN YEARS!

Muscatel Middle School has won the California State Science Olympiad Championship Finals held on April 2<sup>nd</sup>, 2016. After almost an entire year of after-school and weekend meetings, the Muscatel team took 1st Place. The team will now represent California at the United States Science Olympiad National Tournament, to be held at the University of Wisconsin, in Menomonie, Wisconsin from May 20<sup>th</sup>-21<sup>st</sup>, 2016.

## WE NEED YOUR HELP... CAN YOU HELP?

We are fundraising so we can send our student team members and coaches to the National Tournament. We need to pay for airline tickets, hotel accommodations, ground transportation, and meals.

It will cost \$35,000 to send our team  
to the National Tournament.

We have been fundraising the entire year,  
but are still substantially short of our projected costs.

We need your help if possible. Any amount will be appreciated.

The team is asking for tax-deductible donations.  
Please write a check, payable to Muscatel ASB (Science Olympiad).

Please send donations to: Muscatel Middle School c/o Muscatel ASB (Science Olympiad)  
4201 North Ivar Avenue, Rosemead, CA 91770
