I. SCHOOL PROCEDURES

ATTENDANCE

Attendance: Your child should attend school promptly and regularly as mandated by State law, as excessive absence or tardiness from school hinders learning.

“Every child between the ages of six and eighteen years of age must attend school full-time unless exempt under the State law.” California State Law (Education Code #48200).

A child is considered truant when he is absent from school without valid excuse more than three days in one school year, “Any student who is truant may be reported to the attendance supervisor.” California State Law (Education Code #48260)

ABSENCES

A telephone call on each day of absence or a note upon the student’s return to school, signed by the parent or doctor and indication the reason for a child’s absence, is necessary to excuse absences.

TARDINESS

Students should arrive at school by 7:55 a.m. as instruction begins promptly at 8:00 a.m. each day.

- Students who arrive late **must** check in at the office before going to class.
- A note must be sent with your child explaining any reason for a tardy.
- Accurate attendance records will be kept by the school. If tardiness or absences become excessive, a meeting will be held to discuss resolution of the matter.

RELEASE OF STUDENTS DURING THE SCHOOL DAY

There may be circumstances that arise during the year when it will be necessary for parents to take their children out of school for part of the day.

Every attempt should be made to schedule doctor and dental appointments outside of school hours.

When these situations arise, the parent must come to the office in order to sign the child out of school.

For reasons of security, a student will not be released to anyone except the parent or an adult listed on the student’s emergency card.

A picture ID may be requested for verification. Permission by phone may be granted, provided the person checking the student out can show proper identification.

EMERGENCY CARD INFORMATION

In case of an emergency, it may be necessary to contact a student’s parent or an authorized adult.

The office should be kept informed of any changes of address or telephone numbers. The names and telephone numbers of friends, relatives, and babysitters listed on the card should also be kept current.

It is the parent’s responsibility to provide up-to-date emergency information on a card that will be kept on file at all times. Telephone numbers at home and work, as well as cell numbers, doctor’s name and phone number, and the number of two other adults should be included, in case parents cannot be reached.

USE OF TELEPHONE AND MESSAGES

Please encourage your child to plan ahead for each day’s schedule. Students may use the office phone **Only for Emergencies.** In case of emergency only, messages for students may be left at the office. They should be kept at a minimum, as not to interrupt the educational process.

VISITORS

To ensure the safety of our student, All visitors must check-in at the office and receive a Visitors Badge before entering the campus. Visitors must also have a background check and current TB test in order to volunteer.

LUNCH PROCEDURES

Kindergarten through 6th graders may purchase lunch daily on a cash or check from the cafeteria lunch line. Children bringing a sack lunch may purchase milk or juice. In order to plan for the correct number of lunches per day, each teacher takes a lunch count at the beginning of the day. Parents may also pre-pay for lunches on a monthly basis. Free and reduced fee lunches are available to students who qualify. Information and application forms are available from the school office.

LUNCH SCHEDULE

K – 6TH grade is 11:00 am to 1:00 pm

LOST AND FOUND

A Lost and Found rack is maintained in the cafeteria for articles of clothing that have been forgotten or misplaced.

A child may check with their teacher and then the office for other items that have been lost. Please see that student's personal belongings are properly labeled.

REPORT CARDS AND CONFERENCES

Report cards are issued three times during the school year. Parent conferences are held once during the year, in October. You may sign-up for a parent conference during back to school night.

ADDITIONAL CONFERENCES

Conferences with teachers can be arranged at any time throughout the year if you have a question or concern. You may contact your child's teacher by note or phone. Meetings should be arranged for times outside of the instructional day, at a mutually convenient time.

II. SCHOOL SERVICES

HEALTH SERVICES

PHYSICAL SCREENING

The State of California mandates that all students entering first grade must show proof of having had a physical examination and TB test (with results) 18 months prior to entrance into first grade. The Rosemead School District requires this physical for 1st grade entry (6 months prior to school). All new first grade enrollees to the district must show proof of the physical examination. The school will provide a physician's certification form.

Documentary proof must include the following minimal information:

- Name of person immunized

- Types of vaccines administered
- Date each immunization was administered
- Name of physician or agency administering the vaccine (in the event that immunizations are contrary to the beliefs of the parent, the parent must sign an affidavit accordingly).

ILLNESS

Good health is more important than perfect attendance. Please do not send your child to school when they are not feeling well. The school may be called to report your child's illness. The staff continually observes the students for possible symptoms or exposure to contagious diseases.

PUPIL MEDICATION

Since medical treatment is the responsibility of the parent and the family doctor, medications are rarely given at the school. Parents are encouraged to work out a schedule of giving medication outside of school hours.

In the event that medication must be administered during school hours, a physician must complete "Request to

Administer Medication” form. This form is available from the school office. This authorization must be renewed each school year. All medication will only be administered from a pharmacy labeled container with the proper medication and dosages that the physician has ordered. Medications are kept in the office where office personnel can supervise distribution. A STUDENT IS NOT ALLOWED TO CARRY ANY TYPE OF MEDICATION ON HIS PERSON AT SCHOOL, including aspirin, cough drops or inhalers (except in cases of special authorization).
