Mr. Gabriel Cardenas, Principal

Dear Janson School Parent,

This year, Janson School has implemented a new district wide program known as i-Ready. This program is designed to support and target specific learning goals and objectives that are individualized for each student in the areas of Reading and Math. It is recommended that all students utilize this program for a minimum of 45 minutes weekly online. In an effort to best support our students and parents, Janson school will be offering opportunities to utilize this program after school.

We currently have spots available in the i-Ready technology lab at Janson School for 1st- 6th graders!!!

These classes are funded through Title 1 funds and FREE to all current Janson students.
