

Good evening Shuey students and families. This is Mrs. Brydle with the important announcements for the upcoming week at our school. Thank you to our parents who attended conferences last week with our teachers. Meal pick-ups continue on Wednesday and Friday. On Fridays, families will now receive food for Saturday, Sunday, Monday and Tuesday. Remember that meals are free for all children 18 and younger. Friday is a teacher professional development day. There is no school on Friday, October 23. Finally, please remember to complete a meal application for this school year. Even though all students are receiving their meals for free, we still need you to complete the applications. You can complete the meal application online at the Shuey website or you can pick up a paper application in the office. Thank you for listening and have a great evening!
