

Good evening Shuey students and families. This is Mrs. Brydle with the important announcements for the upcoming week at our school. As of Monday, you no longer have to complete the yellow Health Screening form. Wednesday is a late start day. School begins at 9:30 for all students. There is a school board meeting on Thursday evening at 7:30 pm. The 2022 Shuey Science Olympiad team will be honored with their gold medals at the meeting. Finally, thank you to all the parents who are using the crosswalks and being extra patient during drop off and pick up. It is very important that we keep up these practices every day. Please do not allow your children to run in between cars and across the street. We do not want another accident to happen. Your child's safety and the safety of everyone around us is all of our responsibility. Thank you for listening and have a great evening!
