Tuesday, November 15 at 6:00 in English Only

Wednesday, November 16 at 10:00 am in English and Mandarin

Wednesday, November 16 at 4:00 in English and Vietnamese.

Also, on Wednesday at 6:00 pm, there will be a parent meeting about school safety.

The meetings will be held on Zoom and the Zoom links will be posted on Class Dojo and the school website.

There is no school from November 21 through November 25. School resumes on November 28th. Last Thursday, we held our Leadership Day and also were reviewed for Lighthouse recertification. Both Leadership Day and Lighthouse Recertification were huge successes. This was the first in person Leadership Day since 2019 and the first time we have had outside guests in almost 3 years. The students were outstanding! They gave great effort and showed what leaders they are. Our teachers and staff were fabulous as well opening their classrooms to guests from all over Southern California. I would also like to send a huge thank you to our parent panel, Elaine Huynh, My Lam, Claire Tsan Gonzalez and Marlene Aparicio who whose responses were thoughtful and articulate.

Thank you for listening and have a great evening!
