

Good evening Shuey students and families. This is Mrs. Brydle with the important announcements for the upcoming week at our school. I am happy to announce that we have a new office manager. Her name is Mrs. Marisol Zapata. We also have a new aide in kindergarten room 1 – Ms. Evelyn Soto. We want to welcome both Mrs. Zapata and Ms. Soto to the Shuey shark family. There is no school on Monday, September 7th. Student meal distributions will continue on Wednesday and Friday from 7-8 am and from 11:45 – 1:00 pm. If you have students at other Rosemead schools, you can pick up the meals for all your children at one school. Just make sure to bring the yellow lunch number card. Also, please remind your students that there is no eating during the live Zoom meetings. I know that lunch is later for some students, but it is important that students get as much direct instruction from the teacher. Also, please know that we will be not only taking attendance in the live Zoom meetings, but teachers are also collecting and correcting the assignments. I hope that you are having a great weekend. Thank you for listening.
