

Good evening Shuey students and families. This is Mrs. Brydle with the important announcements for the upcoming week at our school. Parent conferences begin on Wednesday and go through Friday. All parent conferences will be held through Zoom. Because of distance learning, minimum days will be a little different. On Wednesday and Thursday, students in grades 1-6 will be dismissed from live learning at 11:30. They will have online independent work to do from 11:30 – 12:00 and school is dismissed at 12:00. There is no change to the kindergarten schedule. The Friday schedule also remains the same. Please make sure that you attend parent conferences. Parent conferences are more important than ever because our students are learning online. Teachers have so much to share with you. Also, free lunch and breakfast pickups continue on Wednesdays and Fridays from 7-8am and from 11:45 – 1:00pm, and free supper pickups continue at Muscatel on Wednesday afternoons from 3:45 – 4:45.

Thank you for listening and have a great evening!
