Dear Muscatel Middle School Families,

As previously shared, there will be no school for all students from **Monday, March 16, 2020, through Friday, March 27, 2020**. We want to emphasize that there are no reported cases of COVID-19 in our district community.

To help students continue their learning during this time, students will have access to online instruction, created by their teachers, via our school website. If your child needs a device to access our website, please complete the Request for Use of District Property form, also on our school website, and bring it to the school office. Additional forms are available in the school office. Online instructional resources are available on our school's website under the link, *Online Student Work*. If parents do not have access to a device, and do not wish to borrow a device, parents should pick up work packets from Muscatel Middle School, from the hours of 8:00 am—6:00 pm on **Tuesday, March 17**.

Meals for all children ages 18 and under will continue to be provided at Muscatel Middle School Monday—Friday, from 9:00 am-1:00 pm beginning Monday, March 16. Meals will also be available during this time slot at Encinita and Savannah. To receive a meal, each child must be present.

During this time, our District will remain open and staff will be available via email or phone to answer any questions you may have.

As we move forward, we will keep you updated regarding the status of school and potential extension of school dismissal.

Respectfully,

Jocie Wilson  
Principal, Muscatel Middle School
