Principal Dr. Debra Boeve expressed, “We are proud of our Science Olympiad students, who have demonstrated remarkable effort and achievement in this year's competition. Under the facilitation of Mr. Chris Yu, our sharks explored fundamental concepts such as “cause and effect” and engaging with Science and Engineering Practices. I am proud of the Shuey Team for developing a profound and scientifically-based understanding of the world around them, which led the team to victory taking first and second place. Hard work, dedication, perseverance and resilience always pays off.”
