1.1 Equitable Treatment.

In the event the District, following the date of this Agreement, grants a salary/benefits (total compensation) increase greater in percentage than granted under this Agreement for the **2013-2014** school year only to any other unit, represented or unrepresented, the classified bargaining unit shall receive the same percentage increase as well as the same effective

date. Such increase, if any, shall amount only to the difference between the increase granted to another unit and any increase negotiated pursuant to this Agreement.

Subject to the same terms and conditions, if any unit, represented or unrepresented, benefits from an adjustment in working time for the **2013-2014** school year only, the classified bargaining unit shall be entitled to the same or comparable adjustment. This clause shall not be triggered by internal movement or adjustments (step, column, longevity, anniversary or reclassification) nor shall it be affected by agreements arrived at prior to the effective date of this Agreement, provided however, that CSEA has knowledge of such agreements.

CSEA will determine the distribution of the total compensation package (salary and health/welfare benefits) adjustment.

It is understood that we all are professionals and there shall be a level of mutual respect amongst all of the employees of the Rosemead School District.

ARTICLE II – MANAGEMENT RIGHTS

2.0 Management Rights.

All District rights, powers, authority and functions, including rights to direct, manage and control the school district, whether heretofore or hereafter exercised, and regardless of the frequency or infrequency of their exercise, to the full extent of the law shall remain vested exclusively in the District except to the extent specifically surrendered by the express provisions of this Agreement.

2.1 Contracting Out.

During the life of this Agreement, the District agrees that it shall not contract out bargaining unit work which is contrary to law.

ARTICLE III – ORGANIZATIONAL SECURITY

3.1 Membership.

- 3.1.1 District shall distribute CSEA-supplied membership applications to new hires (but not make any statement suggesting workers must join). District shall refer all employee questions about CSEA or dues over to the CSEA Labor Relations Representative. CSEA shall defend and indemnify District for any claims arising from its compliance with this clause. This agreement shall satisfy District's duty to bargain effects of the Janus decision.
- 3.1.2 The District shall not interfere with the terms of any agreement between CSEA and the District's employee with regard to that employee's membership in CSEA, including but not limited to automatic renewal yearly unless the worker drops out during a specified window period. The District need not keep track of this period, which shall be tracked by CSEA within its membership database. Pursuant to EC 45168, CSEA shall provide the District with notification of any change related to dues deductions, in a timely manner, to allow the District an opportunity to make the necessary adjustments. CSEA shall indemnify the District for any claims made by an employee challenging dues deductions and/or the process for renewal and/or revocation.

3.2 Dues Deduction.

The employer shall deduct, in accordance with the CSEA dues schedule, dues from the wages of all employees who are members of CSEA. CSEA shall, on an annual basis, provide the District with CSEA's certification that CSEA has each employee's authorization for payroll deductions. CSEA shall indemnify the District for any claims arising from its compliance with this section.

3.2.2 The District shall not instruct employees on the process to leave CSEA, but instead simply refer any questions to the CSEA Labor Relations Representative and shall obtain CSEA's approval before processing any revocation request.

3.2.3 The employer shall not be obligated to put into effect any new or changed deductions until the pay period commencing thirty (30) days or more after such submission.

3.2.4 There shall be no charge by the employer to CSEA for regular membership dues deductions.

3.3 Other Deductions.

The employer shall be required to promptly notify CSEA of any claims made by employees relating to dues authorization.
- 3.5.2 CSEA shall have the exclusive right to decide and determine whether any such action shall be compromised, resisted, defended, tried or appealed.

ARTICLE IV – GRIEVANCE PROCEDURE

4.1 Definitions.

A grievance is defined as a statement by a unit member that the District has violated an express term of this Agreement and that by reason of such violation his or her rights have been adversely affected. All other matters and disputes of any nature are beyond the scope of these procedures. Also excluded from these procedures are those matters so indicated elsewhere in this Agreement. A day shall mean a day that the District Office is open for business.

The Association reserves the right to file grievances in its name as per E.E.R.A., section 3543.1(a).

4.1.1 The respondent in all cases shall be the District itself rather than any individual. The Association may itself grieve only with respect to an alleged violation by the District of an express term of Article IV. The filing or pendency of a grievance shall not delay or interfere with implementation of any District action during the processing thereof.

4.2 Informal Level.

Before filing a formal written grievance, the unit members shall make a reasonable attempt to resolve it by means of an informal conference with his or her immediate administrator. If the unit member is not satisfied with the informal level conference, he/she may proceed to Formal Level I any time within twenty (20) days after the occurrence of the act or omission giving rise to the grievance.

4.3 (Formal Level) Level I.

Within twenty (20) days after the occurrence of the act or omission giving rise to the grievance, the grievant must present grievance in writing to the immediate administrator.

4.3.1 The written statement shall be a clear, concise statement of the grievance, including the specific provisions of this Agreement alleged to have been violated, the circumstances involved, the decision rendered at the informal conference, and the specific remedy sought.

4.3.2 In addition to the written statement, either party may request a personal conference with the other party. The administrator shall communicate a decision to the employee in writing within five (5) days after receiving the grievance and such action will terminate Level I.

4.4 Level II.

In the event the grievant is not satisfied with the decisions at Level I, the grievant may appeal the decision in writing to the Superintendent or designee within five (5) days after the termination of Level I.

4.4.1 The statement shall include a copy of the original grievance, the decision rendered at Level I and a clear, concise statement of the reasons for the appeal. Either the grievant or the Superintendent or designee may request a personal conference with the other party.

4.4.2 The Superintendent or designee shall communicate a decision within five (5) days after receiving the appeal, and such action will terminate Level II.

4.5 Level III: Advisory Arbitration.

4.5.1 Grievances not resolved below may be submitted to advisory arbitration by either party. The party submitting the dispute to arbitration shall so notify other parties in writing within ten (10) days of the termination of procedures in Level II. The parties may mutually agree on an arbitrator. If they are unable to agree, the parties shall request PERB to supply a list of at least five (5) arbitrators. Lots will be drawn to determine which party is entitled to strike the first name, and names shall be stricken until one (1) remains.

4.5.2 The arbitrator's advisory decision shall set forth in writing the findings, reasoning, and conclusions on the issues submitted. The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement.

4.5.3 All costs of arbitration, including but not limited to per diem expenses, travel, and court reporting costs shall be borne equally by the Association and the District.

4.6 Level IV.

Any appeal from the arbitrators' advisory decision at Level III shall be submitted to the Board of Trustees within ten (10) days. The appeal shall include a copy of the original grievance and all decisions rendered at Levels I-III, as well as a clear, concise statement of the reasons for the appeal. Only facts and arguments submitted at Levels I-III may be included in the appeal. The Board shall consider the written record at the next regularly scheduled meeting. The Board may request additional documents pertaining to the meeting, the Board's written response will be delivered to all parties. The decision of the Board shall be final and binding.

4.7 Failure to Meet Time Limits.

If a grievance is not processed by the grievant and Association in accordance with the time limits set forth in this Article, it shall be considered settled on the basis of the decision last made by the District. The District's failure to respond to a grievance in a timely manner at any level shall be deemed a denial of the grievance and termination of the level involved.

The grievant may then proceed to the next step.

Time limits hereunder may be lengthened or shortened in any particular case only by mutual written agreement. The parties will attempt in good faith to adjust time limit problems which occur after Level I.

4.8 Association Representation.

The grievant shall be entitled upon request to representation by the Association at all grievance meetings beyond the informal level. In situations where the Association has not been invited to represent the grievant, the District shall not agree to a final solution of the grievance until the Association has received a copy of the grievance and the proposed resolution. The Association shall have ten (10) days to state its views or opinions. Should no communication be received by the District, the matter will be considered settled.

4.9 Confidentiality.

In order to encourage a professional and harmonious disposition of a unit member's grievance, it is agreed that from the time an individual grievance is filed until it is processed through final resolution, neither the grievant nor the Association nor the District, shall make public either the grievance or evidence regarding the grievance.

4.10 No Reprisal.

There shall be no reprisal against a unit member for filing a grievance or assisting a grievant in the above procedures.

4.11 Reasonable Released Time.

Grievance meetings normally will be scheduled by the District so as not to conflict with normal work duties. However, if scheduling is necessary during normal working hours, the District shall provide released time with no loss of pay to the grievant and one authorized representative of the Association. This shall constitute "reasonable periods of released time" within the meaning of Government Code section 3543.1(c).

4.12 Past Precedent.

A unit member's decision not to file a grievance in a situation where he/she feels that the Agreement has been violated shall not constitute binding precedent regarding that subject matter.

4.13 Separate Grievance File.

Materials concerning grievances shall be maintained in a confidential file separate from the personnel file of grievant.

4.14 CSEA Representative.

Grievant is entitled to have a CSEA representative present at any step of the procedure to assist in investigation, writing, or presentation of grievances.

ARTICLE V – PROHIBITION OF STRIKES AND LOCKOUTS

Separate and apart and in addition to existing legal restrictions upon work stoppages, the Association hereby agrees that neither it nor its members, or agents, or representatives, or the employees of the District, shall call, cause, authorize, ratify, or engage in, any strike, picketing, walkout, slowdown, or other work stoppage of any nature whatsoever. The District agrees that it shall not cause or engage in a lockout.

ARTICLE VI – HOURS OF OVERTIME

6.1 Workweek.

The workweek for full-time unit members shall consist of five (5) consecutive days, normally for eight (8) consecutive hours per day and forty (40) hours per week, Monday through Friday, exclusive of the lunch recess.

6.1.1 The District may establish a workweek consisting of ten (10) hours per day, forty (40) hours per week for four (4) consecutive days, provided that such a workweek has the mutual concurrence of the concerned employees, class of employees or classes of employees. Upon such changes in assignment being contemplated, the District shall notify the Association of its intent and specify the affected class or classes.

6.2 Workday.

The length of the workday shall be designated by the District for each classified assignment. Each employee shall be assigned a fixed and regular number of hours.

6.2.1 There shall be no deviation from the workday unless there is a mutual agreement between the employee and the District.

6.2.1.1 In the event the affected employee does not consent to the schedule change, the District may negotiate the change with CSEA. Any agreement between the District and CSEA shall be binding on the employee.

6.2.2 Site managers shall determine the work schedules for aides and community liaisons during the employee's first work month of each school year. Thereafter, there shall be no deviation from the work schedule unless there is mutual agreement between the employee and the District.

6.3 Change in Work Schedule.

An employee and immediate supervisor may mutually agree to temporarily reschedule certain assigned work days of the employee's regular work year. This section shall not apply to Safe Care personnel.

Employees working less than five (5) hours per day shall not be required to take a lunch break. The lunch period shall be not less than thirty (30) nor more than sixty (60) minutes and shall be in addition to time for which the employee is compensated.

6.4.1 The lunch period shall normally be scheduled near the mid-point of the employee's work shift.

6.5 Rest Periods.

Unit members working four (4) or more hours per day shall be entitled to a paid, uninterrupted fifteen (15) minute rest period as part of the working day. Each bargaining unit employee shall be provided a fifteen (15) minute rest period for each four (4) hours worked and shall be assigned this rest period on or near mid-point of each four (4) hours.

6.6 Overtime, Compensatory Time Off, Additional Hours (Regular Rate of Pay), and Summer School/Winter Break/Spring Break Positions.

6.6.1 Overtime and Compensatory Time Off.

Unit members shall be compensated at the rate of one and one-half (1-1/2) times the regular pay rate for hours worked in addition to an eight (8) hour work day (or if applicable, the ten (10) hour work day) or forty (40) hour work week. Compensatory time off may be granted in lieu of overtime pay at the discretion of the District. Compensatory time off shall be granted at one and one-half (1-1/2) times the regular rate of pay.

Compensatory time shall be taken at a time mutually acceptable to the employee in the bargaining unit and the District within twelve (12) months of the date on which it was earned.

6.6.2 Additional Hours (Regular Rate of Pay).

Employees whose regular workday schedule consists of less than eight (8) hours shall be compensated for service beyond their workday up to a total of eight (8) hours per day at their regular hourly rate except as set forth in sections 6.6.3 and 6.6.4 below.

6.6.3 Overtime and additional hours shall be distributed to employees in the bargaining unit as equitably as practicable. Such assignments shall not be made on a capricious or arbitrary basis.

6.6.4 The workweek shall consist of not more than five (5) consecutive working days for any employee having an average workday of four (4) hours or more during the workweek. Such an employee shall be compensated for any work required to be performed on the sixth (6th) or seventh (7th) day following the commencement of the workweek at the rate equal to one and one-half (1-1/2) times the regular rate of pay of the employee designated and authorized to perform the work.

An employee having an average workday of less than four (4) hours during a workweek shall, for any work required to be performed on the sixth (6th) and seventh (7th) day following the commencement of his/her workweek, be compensated for at a rate equal to one and one-half (1-1/2) times the regular rate of pay of the employee designated and authorized to perform the work.

6.6.5 Summer School, Winter Break, and Spring Break Positions.

The District shall determine the number of classified positions and classified employees needed for Summer School, Winter Break, and Spring Break programs. All qualified employees who are currently employed in the classification or who meet the requirements of the position may apply for these positions. If there are

more qualified applicants than positions, the positions will be offered on a rotational basis. “Qualified” for this purpose is defined as currently or having previously served in the same classification in the District or if an employee meets the requirements for the position but does not have experience in the classification. The applicant’s attendance records during the regular school year and any prior experience (with the district or prior to employment with the district) will be evaluated and considered as part of the “qualifying” for these positions.

6.7 Minimum Call Back Time.

A unit member called in to work on a day when the employee is not scheduled to work or called back to work after completing his/her regular assignment shall receive a minimum of two (2) hours at the appropriate rate of pay under this contract.

6.7.1 On Call:

Unit members that are on call for the purpose of responding to a triggered alarm will be compensated under 6.7 in addition to a monthly stipend of \$275.00.

6.8 Right of Refusal.

An employee shall have the right to initially reject a request for overtime, additional hours, or call back or call in time. If everyone refuses the request, the work shall be assigned by the supervisor as equitably as practicable.

6.9 Shift Differential – Compensation.

6.10.1.1 Employees who are required and directed by their immediate supervisors to perform higher level duties inconsistent with their assigned duties for five (5) days or more within a fifteen (15) working day period shall be compensated at not less than five percent (5%) above the employees' regular rate of pay or at Step 1 of the new salary range, whichever is greater. The pay increase will reflect all days working out of class. It is further understood that once an employee is initially assigned, no deviation from that assignment shall be made until completion of task to be performed.

6.10.2 Employees on temporary assignment to a lower classification shall receive their regular rate of pay.

6.11 Instructional Aide/Paraprofessional.

The parties recognize that Instructional Aides are employed to assist classroom teachers and other certificated personnel in performing their duties, supervising pupils, and in instructional tasks which, in the judgment of the certificated personnel to whom the Instructional Aide is assigned, may be performed by a person not licensed as a classroom teacher.

6.12 Safe Care and Preschool Personnel.

6.12.1 Work Hours.

During the period of summer vacation, spring recess, and winter recess, the Coordinator of Preschool and Child Development Programs, by mutual consent of Safe-Care and Preschool personnel, has the authority to adjust employee's work hours. During the period of family care leave, the employee shall continue to be entitled to participate in pension and retirement plans, supplemental unemployment benefit plans, and/or any other employee welfare benefit plan to the same extent and under the same conditions as apply to an unpaid leave taken for any other purpose. The employee shall retain his/her employee status with the District during the leave period and the leave shall not constitute a break in service for purposes of longevity or seniority under any employee benefit plan or under this Agreement. For purposes of layoff, recall, promotion, job assignment and seniority-related benefits such as vacation, the employee returning from family care leave shall return with no less seniority than he/she had when the leave began.

If an employee learns of the need for family care leave more than thirty (30) days before the leave is to begin, he/she shall give the District at least thirty (30) days’ written advance notice. If the employee learns of the need for family care leave fewer than thirty (30) days in advance, he/she shall provide such notice as soon as practicable. If leave is needed for a planned medical treatment or supervision, the employee shall make a reasonable effort to schedule the treatment or supervision to avoid disruption of District operations. This scheduling shall be subject to the health care provider’s approval. - (b) The probable duration of the condition;
- (c) An estimate of the amount of time the health care provider believes the employee needs to care for the child, parent or spouse, and;
- (d) A statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the child, parent or spouse.

If additional leave is needed when the time estimated by the health care provider expires, the District may require the employee to provide recertification as specified above. An employee's request for leave because of his/her own serious health condition shall be supported by a certification from the employee's own health care provider. This certification shall include:

- (a) The date on which the serious health condition began;
- (b) The probable duration of the condition;
- (c) The appropriate medical facts within the knowledge of the health care provider regarding the condition, and;
- (d) A statement that the employee is unable to perform the functions of his/her job.

If the employee is requesting leave for intermittent treatment or leave on a reduced leave schedule for planned medical treatment, the certification must also state the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave.

Note: The District can challenge the certification and require the employee to obtain at District expense, a second (2nd) opinion from a District-approved health care practitioner. If the second (2nd) opinion is contrary to the first (1st), the District may require, again at District expense, that the employee obtain a third (3rd) medical opinion from a third (3rd) health care practitioner approved by both the employee and the District.

Upon granting an employee's request for family care leave, the District shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. At the employee's request, the District shall provide this guarantee in writing. In accordance with the law, the District shall notify employees of their right to request family care leave.

For the purpose of this section, "personal physician" means the employee's regular physician and surgeon, licensed pursuant to Chapter 5 (commencing with Section 2000) of Division 2 of the Business and Professional Code, who has previously directed the medical treatment of the employee, and who retains the employee's medical records, including his/her medical history.

 - (h) Upon termination of the industrial accident or illness leave, the employee shall be entitled to the benefit provided for sick leave and his/her absence for such purpose shall be deemed to have commenced on the date of termination of the industrial accident or illness leave provided that if the employee continues to receive temporary disability will result in payment to him/her of not more than his/her full salary.
 - (i) When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used; but if an employee is receiving workers' compensation the person shall be entitled to use only so much of the person's accumulated or available sick leave, accumulated compensating time, vacation or other available leave, which when added to the workers' compensation award, provide for a full day's wage or salary.
 - (j) When all available leaves of absence, paid or unpaid, have been exhausted, and if the classified employee is not medically able to assume the duties of the person's position, the person shall, if not placed in another position, be placed on a reemployment list for a period of thirty-nine (39) months. When available during the thirty-nine (39) month period, the person shall be employed in a vacant position in the class of the person's previous assignment over all other available candidates except for a reemployment list established because of lack of work or lack of funds, in which case the person shall be listed in accordance with appropriate seniority regulations.

11.6 Maternity/Child Care/Child Preparation Law.

The length of the leave of absence, including the date on which the leave shall commence and the date on which the employee shall resume duties, shall be determined by the employee and the employee's physician. All employee compensation and benefits will continue during the maternity leave.

If an employee wishes to return to work within four (4) weeks after the birth of a child, she shall submit a statement from a physician indicating when she is or was physically able to return to her duties; the employee shall return to work on the date indicated by the physician. Reporting of Absence.

Personnel who must be absent from work must notify the district office to report the absence the night before, if possible, or by 7:00 a.m. the day of the absence. Night custodians call by 10:00 a.m. the day of the absence. (If you are certain about the number of days you will be absent, please give this information. If not, call the district office each day by 10:00 a.m. if you are a night custodian. All other classified employees call by 1:30 p.m. each day. Failure to report that you are returning to work can result in the loss of a day's pay since it would not be possible to notify your substitute.)

- (a) Pay for any days of such absence shall be the same as the pay which would have been received had the employee served during the day. Credit for leave of absence need not be accrued prior to taking such leave by the employee, and such leave may be taken at any time during the year. However, a new employee shall not be eligible to take more than six (6) days or the proportionate amount to which he/she may be entitled until the first day of the calendar month after completion of six (6) months of active service with the District. If such employee does not take the full amount of leave allowed in any year, the amount not taken shall be accumulated from year to year.
- (b) An employee who resigns or otherwise leaves the employ of the district who has used all paid illness or injury leave and has taken additional unearned leave shall have the amount of compensation received for illness or injury leave taken but unearned deducted by the District from the employee's last warrant.
- (c) An employee becoming aware of the need for absence due to surgery or other predictable or previously scheduled cause shall submit a statement from his/her physician as far in advance of the initial disability date as possible, to assist in determining the employee's inability to perform assigned duties and the degree to which the employee's inability is attributable to illness or injury.
- (d) Immediately upon return to active service from an illness or injury leave, the employee shall complete and submit the District Report of Absence form to the employee's immediate supervisor. Upon request by the Superintendent, an employee may be required to present a medical doctor's certificate verifying the personal illness or injury and/or a medical authorization to return to work.
- (e) An employee who has experienced a disability absence requiring surgery, hospitalization, or extended medical treatment shall be required, prior to return to active services, to submit a medical statement indicating his/her ability to return to his/her present position without restrictions or detriment to the employee's physical or emotional well-being.

11.8 Sick Leave (100 Days Provision).

Every regular classified employee shall be credited each fiscal year with a non-accumulative additional one hundred (100) working days of paid sick leave.

Compensation shall be at fifty percent (50%) of the employee's current salary. To qualify for differential pay, the employee must first utilize all available leaves in the following sequence:

- (a) All industrial accident or illness days when applicable,
- (b) All accumulated sick leave,
- (c) All accumulated vacation leave, and
- (d) Other available paid leaves.

Current sick leave and the one hundred (100) working days shall be applied concurrently. In no event shall the differential pay, when combined with the days of current sick leave utilization, exceed one hundred (100) days in any school year. Unused portions of differential pay shall be allowed when the absence extends into the following school year.

11.9 Jury Duty Leave.

Employees shall be granted unlimited leave when required to serve on jury duty that falls within the employee's scheduled work period. The employee shall receive full compensation less any jury fees received while serving on jury duty. When an employee is officially notified that he/she has been selected to serve on jury duty, the following procedure will be in effect:

- (a) The employee shall notify the district office immediately upon receipt of call to jury duty.
- (b) The employee shall provide the district office with the official notice of jury duty.
- (c) All fees received for jury duty exclusive of mileage reimbursement shall be remitted to the District.

- (d) Only days the employee is actually serving as a juror are eligible leave days under this section.

11.10 Illness or Injury Leave (Unpaid).

A classified employee who has attained permanent status may request a leave of absence due to illness or accident, whether or not the absence arises out of or in the course of employment of the employee. This request shall be accompanied by a letter of recommendation from the attending physician. The decision to grant such a leave shall be wholly at the discretion of the Board of Trustees and each case shall be judged on an individual basis. The Board of Trustees shall grant this leave for a period not to exceed six (6) calendar months. At the expiration of the leave the board may grant a second (2nd) leave of absence for a period not to exceed six (6) months.

- (a) The Board of Trustees may authorize the payment of the employee's health insurance premiums during the period of the leave. In the event the Board does not authorize payment of health insurance premiums for the length of the leave, the employee shall be permitted to continue to participate in the district's health insurance program provided he/she repays the necessary premiums to the district.
- (b) While on leave, an employee shall only retain earned salary status and shall receive no salary or experience credit. An employee shall not accept gainful employment while on leave of absence.
- (c) The employee on leave must notify the district of his/her intent to return to his/her position at least thirty (30) calendar days prior to the end of the authorized leave. If such notice is not received by that time, the employee shall deem to have abandoned his/her position and shall be terminated. The employee shall submit prior to return to active duty a medical statement from his/her attending physician indicating his/her ability to assume assigned duties without restrictions.
- (d) Upon return from an authorized leave of absence, the employee shall have restored to him/her such benefits as he/she had prior to the leave, but such benefits shall not be accrued while on leave.

11.11 Personal Leave (Unpaid).

If an employee exhausts all available leave and is not able to return to work after the addition of a child or birth of a child, then said employee may request an unpaid leave of absence.

The decision to grant such a leave shall be wholly at the discretion of the Board of Trustees and each case shall be judged on an individual basis. The Board of Trustees shall grant this leave for a period not to exceed six (6) calendar months. At the expiration of the leave the Board may grant a second (2nd) leave of absence for a period not to exceed six (6) months.

- (a) The Board of Trustees may authorize the payment of the employee's health insurance premiums during the period of the leave. In the event the Board does not authorize payment of health insurance premiums for the length of the leave, the employee shall be permitted to continue to participate in the district's health insurance program provided he/she repays the necessary premiums to the district.
- (b) While on leave, an employee shall only retain earned salary status and shall receive no salary or experience credit. An employee shall not accept gainful employment while on leave of absence.
- (c) The employee on leave must notify the district of his/her intent to return to his/her position at least thirty (30) calendar days prior to the end of authorized leave. If such notice is not received by that time, the employee shall deem to have abandoned his/her position and shall be terminated.
- (d) Upon return from an authorized leave of absence, the employee shall have restored to him/her such benefits as he/she had prior to the leave, but such benefits shall not be accrued while on leave.

ARTICLE XII – LAYOFF AND REEMPLOYMENT

The Superintendent or designee shall maintain a current determination of each employee's seniority in the District.

12.1 Order of Layoff and Reemployment; Determination of Seniority.

Classified employees shall be subject to layoff for lack of work or lack of funds. The determination of the existence of lack of work or lack of funds and the necessity for the layoff shall rest exclusively with the Board of Trustees and shall not be subject to grievance procedures.

Whenever a classified employee is laid off, the order of layoff within the class shall be determined by length of service. The employee who has been employed for the shortest time in the class, plus higher classes, shall be laid off first. Reemployment shall be in reverse order of layoff.

Length of service shall be equivalent to all hours in paid status, whether during the school year, a holiday, recess, or during any period that school is in session or closed. Hours compensated solely on an overtime basis in accordance with Education Code Section 45128 shall not be included.

Length of service credit shall be granted for military leave of absence, including voluntary or involuntary active duty during a period of national emergency or war as a member of the Military Reserve or the National Guard.

12.2 Reemployment Eligibility.

Classified employees laid off because of lack of work or lack of funds are eligible for reemployment within a period of thirty-nine (39) months and shall be reemployed in preference to new applicants. Persons so laid off also have the right to apply and establish their qualification for vacant promotional positions within the District during the thirty-nine (39) month period.

12.2.1 The District will notify the CSEA President and Field Representative of a layoff or reduction in hours of any bargaining unit member at the same time of notification to the affected employee.

12.2.2 Such notice will include: (1) whether the proposed layoff is the elimination of a position, or reduction in hours, and (2) a copy of a current and updated seniority list.

12.2.3 The District and CSEA will negotiate the effects of layoff/reduction in hours in any unit member.

12.2.4 A “layoff” shall be defined for purposes of this Article to mean an elimination of a position or involuntary reduction in hours.

12.2.5 “Seniority” is defined as the order of layoff within the class and shall be determined by length of service. Length of service means hours of paid service.

12.2.6 “Bumping” of an employee is defined as the employee who has been employed the shortest time in the class, plus higher classes, shall be laid off first.

12.3 Voluntary Demotion or Voluntary Reduction of Hours.

An employee laid off from his/her present class may bump into the next equal or lower class in which the employee has greater seniority. The employee may continue to bump into such equal or lower classes to avoid layoff provided the employee has worked previously in the lower class position.

When employees take voluntary demotions or voluntary reductions in assigned time in lieu of layoff or in order to remain in their present position rather than be reclassified or reassigned, they shall be granted the same rights as persons laid off. They shall retain eligibility to be considered for reemployment for an additional period of up to twenty-four

(24) months, provided that the same tests of fitness under which they qualified for appointment to the class are still applicable.

Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall have the option of returning to a position in their former class or to positions with increased assignment time as vacancies become available, and without limitation of time. If there is a valid reemployment list, they shall be ranked on that list in accordance with their proper seniority.

12.4 Layoff Procedures.

The District will notify the CSEA President within five (5) working days after affected employees have been given written notice of layoff. The District and CSEA will negotiate the effects of layoff and workload/responsibilities, upon request by CSEA.

When the District determines that layoffs shall occur, the procedures shall be governed by the Education Code, the Government Code, and applicable case law. Seniority shall be based on all hours in paid service within the classification. If the District takes action to layoff employees during the term of this Agreement, the Association may request negotiations on negotiable matters relating to the effects of the layoff.

Classified employees subject to layoff because of lack of funds or lack of work in the event of a bona fide reduction or elimination of service being performed shall receive notice of the layoff no later than March 15, per Education Code Section 45117. The notice shall state the reasons for which the employee's services will not be required for the ensuing year and inform the employee of their reemployment rights and displacement rights, if any.

In cases where specially funded programs expire at the end of any school year, classified employees subject to layoff for lack of funds shall receive written notice not less than sixty (60) days prior to the end of the school year.

The notice shall inform each employee of the effective date of the layoff and of their displacement and reemployment rights. If the termination date of the specially funded program is other than the end of any school year, the notice shall be given at least sixty (60) days before the effective date of the layoff.

Nothing herein provided shall preclude a layoff for lack of funds in the event of an actual and existing financial inability to pay salaries of classified employees, nor layoff of work resulting from causes not foreseeable or preventable by the Board of Trustees, without following applicable Education Code and case law, including all provisions of Education Code Section 45117. The District will provide information about reemployment and displacement rights, if any, to all employees laid off under these conditions.

The District shall assist with outplacement counseling services for interested employees who are laid off. Such counseling services may include, but not be limited, to the following:

- (a) Job availability in other organizations
- (b) Resume preparation/employment application
- (c) Job interview techniques
- (d) Unemployment insurance filing and eligibility

No long-term substitute or temporary employee shall be employed in vacant positions from which regular classified employees are currently laid off until exhaustion of the reemployment list for that position.

12.5 Reemployment.

In order to be reinstated, an employee must be fully capable of performing the normal and customary duties of the job. Employees whose physical condition is such that they cannot be reinstated at the time called for reemployment will be kept on the reemployment list for a period not to exceed thirty-nine (39) calendar months.

When a vacancy occurs, the senior employee who has held prior permanency in the position will be so notified by certified U.S. mail at his/her known address and given the opportunity to accept or reject appointment into the vacant position. He/she must advise the District of his/her decision no later than five (5) calendar days following notification.

If he/she accepts, he/she must report to work no later than two (2) calendar weeks from the vacancy notification date unless otherwise directed. If he/she declines, for reasons other than verifiable disability, his/her name will be removed from the reemployment list and he/she will forfeit all rights to which he/she would otherwise be entitled.

When an employee is notified of a vacancy and fails to respond to the notification letter within five (5) calendar days or when the employee accepts appointment but fails to report to work within the two (2) week period following notification, his/her name will be removed from the reemployment list and he/she will forfeit all rights to which he/she would otherwise be entitled.

When a laid-off employee is reemployed, all accumulated sick leave credit will be restored to him/her.

A laid-off permanent employee will be reemployed with all rights and benefits accorded to him/her at the time of layoff. A laid-off probationary employee will be reemployed as a probationary employee, and the time served toward the completion of the required probationary period will be counted. He/she will also be reemployed with all rights and benefits accorded to him/her at the time of layoff.

Laid-off employees, when reemployed, will be placed on the salary step held at the time of layoff. Employees who bumped into a lower class will, when reinstated to their previous class, be placed on the salary step to which they would have progressed had they remained there. An adjusted anniversary date will be established for step increment purposes so as to reflect the actual amount of time served in the district.

ARTICLE XIII – TRANSFERS

13.1 Definition.

A transfer is defined as a change of job location within the same position classification.

13.2 Criteria for Transfer.

The following criteria, when applicable, shall be used in consideration of transfer requests:

classification at any time during the work year. A separate transfer request list will be maintained for each classification.

13.3.2 Transfer applications will be interviewed by the immediate administrator at or about the time the position applied for becomes vacant. The immediate administrator shall make a final appointment from among transfer applicants and other eligible candidates.

13.3.3 The filing of a request for transfer is without prejudice to the employee and shall not jeopardize the present assignment. A request for transfer may be withdrawn by the employee in writing at any time prior to official notification of transfer approval.

13.3.4 The District shall notify appropriate immediate supervisor(s) of employee requests for transfer. If requested vacancies develop, administrative consideration shall be given to all employees who submitted properly completed transfer requests for such vacancies.

13.3.5 The District shall provide the employee, and the appropriate immediate supervisor, official notification of the disposition of the voluntary transfer request. Unit members who are interviewed and not selected for a vacancy may request a conference with the selecting administrator to discuss the reason(s) for the denial for the request for transfer. In filling positions for which a current employee is qualified, the District will give consideration to current employees.

13.4 Involuntary Transfer.

The District may initiate a transfer at any time. A unit member affected by such transfer will be given written notice of the proposed transfer as soon as practicable, and will be provided an opportunity, if desired, to meet with the appropriate administrator to be informed of the reasons for the transfer. Consideration will be given to the unit member's

objections or preferences. Transfer for the purpose of allowing an opportunity for performance improvement shall be permissible.

ARTICLE XIV – SAFETY

14.1 Safety Committee.

A District Safety Committee shall include at least one (1) member appointed by CSEA. This committee shall review health, safety, and sanitation conditions. This committee will normally meet twice a year, and will make recommendations to the District concerning improvements in health, safety, and sanitation conditions.

The District will provide and maintain safe working conditions and equipment at all times, comply with standards prescribed by applicable state and local laws and regulations affecting employee safety and health, and conduct employee education and training in development of safe attitudes and practices. The District strives to provide our students and staff a safe and secure environment. The District and CSEA have reached the following understanding over the effects of the use of recording equipment on District property:

- (a) The District has and will install recording equipment for the purpose of ensuring the health, welfare and safety of all students, staff, and visitors to District property, and to safeguard district facilities.
- (b) District access to the live feed provided by District recording equipment shall be restricted to designated District Administrators with unique login IDs. Requests for additional personnel to have direct access to a live feed will be authorized by the Superintendent.
- (c) Annually, the District shall provide CSEA with a listing of the number, location, and view of known recording equipment to be used. An initial list of equipment will be provided fifty (50) working days after this MOU is signed and ratified by both parties. The list will be updated in good faith as the information becomes available.
- (d) When the District has installed recording equipment, signs will be posted to notify persons that recordings may occur at the District.
- (e) No recording equipment will be installed where there is a reasonable expectation of privacy, in accordance with applicable law, such as restrooms or locker rooms. Recording equipment shall be utilized to monitor points of entrance, large congregate settings (such as school quads, playgrounds, and hallways), and difficult to supervise areas (such as behind classroom buildings, and areas that present security vulnerabilities).
- (f) It is the intent of both parties that surveillance equipment will not be used to replace, supplant, or circumvent the supervisorial or managerial responsibilities associated with employee supervision. The District will not use recording(s) to determine

promotions and transfers, and/or evaluate employee work performance. This shall not limit the District's ability to use evidence derived from surveillance cameras when conducting workplace investigations in response to specific incidents or complaints. In the event this occurs, CSEA will be notified of any such investigations.

- (g) This monitoring equipment may incidentally capture sights, images of bargaining unit members in performance of their duties. Should incidental viewing show a bargaining unit member not performing his or her duties properly, or in violation of law, policy or contract, the District shall notify CSEA of the surveillance recording. The parties will work together, and the District shall provide coaching and training prior to initiating progressive discipline, if appropriate.
- (h) The primary purpose of viewing these video recordings is to determine the source of and/or to prevent criminal activity. When there is a suspected incident of criminal activity and outside agencies are contacted (e.g. Los Angeles County Sheriff) the District shall grant access to surveillance recordings as requested by law enforcement during the criminal investigation. Timelines for the access and review of video recordings shall be reviewed for the date(s) from which there is a reasonable suspicion of alleged criminal activity. The timelines may be expanded at the request of law enforcement to ensure a thorough and complete investigation.
- (i) Video recordings will be automatically stored by the camera system for a maximum of three months or 90 days but shall not be permanently saved by the District.
- (j) The District agrees to utilize the base program of the camera systems in a manner consistent with this agreement. The District shall notify CSEA of the type of cameras they intend to use and provide CSEA with a copy of the owner's manual. Should the District request and/or receive additional features and functionality beyond the base program, the parties agree to meet and negotiate the effects in good faith.
- (k) Recording equipment and live recordings may be used for instructional purposes. However, it is agreed that any use for instructional purposes is also subject to paragraph 6.

- (l) When an installation(s) needs to take place, the District will inform CSEA in writing of the necessary installation(s) as soon as the District has reasonable knowledge of the installation(s).
- (m) The Parties agree that any cameras placed previously and after the effective date of this Agreement shall also be subject to this Agreement.

The value of such property shall be determined as of the time of the damage thereto or the robbery or theft. All other property of an employee not enumerated above shall be covered in the same manner provided the employee has been given written approval by an administrator to have such property on school or District premises and has on file a description of such property. The District's liability for this property will be for a thirty (30) day period. The approval for the use of this personal property may be extended by the administrator except the approval date may not extend beyond the work year of the employee.

- (a) The District may accept the donation of work provided that it does not result in the layoff or reduction of bargaining unit employees or positions. Donated work will not be accepted by the District for the purpose of decreasing employees' workload or restricting the addition of bargaining

unit positions due to demands for service. Furthermore, individuals or community groups shall not perform routinely and customarily performed work by bargaining unit members, other than that which is current practice.

- (b) The District agrees not to circulate newspaper advertisements for donated work.
- (c) The District will notify the Chapter one (1) week prior to the donation of work when possible.

RECLASSIFICATION PROCEDURE

Definition

According to Education Code 45101 (f): Reclassification means the upgrading of a position to a higher classification as a result of the gradual increase of the duties being performed by the incumbent in that position.

The reclassification procedures set forth apply when significant permanent changes in assigned duties, as required by the District, occur in a unit member's position that are not actually reflected in, or reasonably related to, the specific statement of duties require to be performed as set forth in the job description for the position, and where changes require a skill level or a responsibility level higher than that usually required of the existing classification.

Reclassification is not the result of job performance or an increase in the quantity of the duties and responsibilities contained in the existing job description.

Important Reminders

1. The position, not the person serving in the position will be reviewed. Positions are classified, incumbents are not.
2. Reclassification should not be viewed as a reward for superior services, a reward for longevity or the qualifications of the incumbent. A classification structure is not intended to serve as a reward, recognition, or promotional system.
3. Assuming duties on one's own authority does not constitute a basis for reclassification.
4. Cross-training, learning new duties where the job function remains the same, or assisting other employees on limited basis is encouraged, but will not be considered a basis for reclassification.
5. An increase in workload within the incumbent's job description is not a basis for a reclassification.

In the event that a reclassification is recommended by the **Reclassification Committee**, preference will be given to utilizing existing classifications rather than creating single incumbent classifications.

Requests for Reclassification

The incumbent will formally request reclassification of their position by submitting a "Request for Classification Review" (attached) form to the Human Resources Department Reclassification

approved by the Board will become effective no later than the first day of the month following Board approval.

Reclassification Review Committee

A reclassification Committee shall be established within ten (10) working days if approval of this agreement by CSEA and the District, whichever is later and shall consist of four (4) voting members as follows: Two (2) CSEA Representatives appointed by the CSEA President, and two (2) District representatives appointed by the Superintendent or designee. The Reclassification Committee's term shall run the term of this Memorandum. All actions taken by the Reclassification committee shall be taken only in official meetings conducted with all members present. Members of the Reclassification Committee shall be provided release time to attend committee meetings during their work hours.

To avoid conflicts of interest, **Committee** members may not submit a request for reclassification consideration for their own position while serving as a **Committee** member. Management **Committee** members cannot vote in the review process for positions in their immediate area of supervision. CSEA Committee members cannot vote in the review process for positions in their same classification.

Reclassification Committee Process

The Reclassification Committee will have guidance from the Coordinator of Human Resources regarding analysis of job descriptions, salary surveys, or benchmarks.

The **Committee** shall review written reclassification request forms (describe above), and may request other supporting documents, and may hear presentations from the employee, immediate supervisors, and/or reviewing manager.

Based on the documents, presentations, and discussion, if the **Committee** determines the reclassification request to be meritorious, the Committee will determine whether assignment to an existing classification is possible or whether a new classification needs to be created.

The **Committee** shall request the Coordinator of Human Resources to proceed to make appropriate changes in the classification description or create a new classification description. A recommendation to approve a reclassification request requires a three-fourths (3/4) vote of all members of the Reclassification Committee. The Committee shall issue its recommendation no later than forty-five (45) days from the first official meeting. The Coordinator of Human Resources and the President of CSEA may mutually agree to extend the deadline for the Committee to issue its recommendation. The Coordinator of Human Resources shall send written notification to the unit member regarding the reclassification committee's recommendation to approve or deny the unit member's request for reclassification within five (5) working days of the final decision. If the committee recommends a new classification should be created, the District Negotiations team shall meet and negotiate with CSEA regarding the title, job description and pay range of the new classification.

Recommendations for Salary Change

If a reclassification results in placement on a higher classification, the employee shall either be placed on the step of the salary schedule that will result in a minimum of 5% increase over his/her previous salary, or at an appropriate rate of pay in the higher classification, whichever is higher. Reclassification requests that result in a salary upgrade will become effective no later than the first day of the month following Board approval and authorization. Retroactive compensation up to one (1) year from the date of the Reclassification Committee's recommendation may be considered with the accompaniment of sufficient proof.

Possible Outcomes

1. The committee will determine that a classification request is warranted.
2. The committee will determine that a reclassification request to a different classification is warranted.
3. The committee will determine the need for a new job description.
4. The committee will determine that a reclassification request is denied. In the event that a member's reclassification request is denied, the member may appeal the committee's decision when there is new information or evidence that was previously not considered.

Recommendations for Job Description Changes

Reclassification requests that result in changes to the classification description and/or job title shall become effective as soon as the Board of Trustees approves the revised classification description and/or job title.

Recommendation to the Board of Trustees

The superintendent shall present any Reclassification Committee recommendations received at the next regularly scheduled Board of Trustees meeting. The unit member's evaluation date and the salary step advancement date for purposes of step increases and longevity shall not change.

Incumbent's Rights

When an entire class of positions or a position is reclassified, the incumbents in the position shall be entitled to serve in the new position.

Appeal Process for Denied Reclassification Request

No later than ten (10) working days of the notification of a denied reclassification request, the employee may appeal the **Committee** decision by requesting to meet with the **Committee** and a Labor Relations Representative to present their justification face-to-face and to present the Committee with new information or new evidence that was previously not considered. All appeal meeting shall be scheduled within five (5) working days of receipt of request of the appeal. The committee shall have ten (10) working days from the date of the appeal meeting to render their decision. If this meeting fails to change the decision of the **Committee**, the decision of the **Committee** is final.
