

Role of a School Counselor

The school counselor's responsibility is to provide a comprehensive program that fosters development in academic, career, and personal/social domains. Cohesively provide students the opportunity to gain skills and develop their unique potential to become successful in all aspects of life.

ACADEMIC

- Study skills & organization
- Identify strengths & areas of growth

CAREER

- Education on secondary & postsecondary opportunities
- Life skills

PERSONAL & SOCIAL SKILLS

- Coping & problem solving skills
- Respect of self & others

Who is My School Counselor?

My name is Sandra Amezquita and I am very excited to be the School Counselor at Muscatel! My goal is to provide support and services to empower students, parents, school staff and community. I look forward to helping you in any way that I can therefore I would love the chance to speak with and meet you all. Please do not hesitate to contact me. Let's make this year the best one yet!

CURRICULUM SUPPORT:

-Develop appropriate & interactive lesson/activities for integration in the classroom

STUDENT PLANNING:

-Coordination of goals, abilities & interest to create unique path for transition

RESPONSIVE SERVICES:

-Support in crisis situations & provide referrals to resources

Tips For Student Success

The following is information students can use to help them succeed in their classes.

Be prepared

When you go to class, have all your homework done, and bring everything you'll need with you. Be alert and ready to learn.

Eliminate distractions

Put away anything that isn't directly related to what you are doing in class and avoid side conversations.

Participate

The best way to stay engaged is to be an active participant. Ask and answer questions and participate in discussions.

For more information on how you can succeed in school, please see the school counselor.

Power School (SIS) Information

To give parents the most up-to-date information on students' academic progress, Muscatel Middle School uses the PowerSchool system (<https://psrosemead.powerschool.com/public>). If you have not already created an account, please do so. You may obtain pass code and other information and instructions from the Main Office.

PowerSchool helps parents to monitor students' work, keep track of missing assignments and provides overall information regarding current academic standing.
