## ARTICLE II

### THE BONDS

SECTION 2.01. *Authorization.* The Board hereby authorizes the issuance of the Bonds under and subject to the terms of Article XIII A, Section 1 paragraph (b) of the California Constitution, the Bond Law and this Resolution, for the purpose of raising money for the acquisition or improvement of educational facilities in accordance with the Bond Measure, and the payment of capitalized interest on the Bonds and Costs of Issuance. This Resolution constitutes a continuing agreement between the District and the Owners of all of the Bonds issued or to be issued hereunder and then Outstanding to secure the full and final payment of principal thereof and interest and premium, if any, on all Bonds, subject to the covenants, agreements, provisions and conditions herein contained. The Bonds shall be issued as bonds which bear current interest and shall be designated the "Rosemead School District (Los Angeles County, California) General Obligation Bonds, 2014 Election, Series B" in the aggregate principal amount of not to exceed \$10,000,000. The Bonds may include additional designations as might be advisable to adequately identify said Bonds to investors as shall be identified in the Official Notice of Sale.

#### SECTION 2.02. *Terms of Bonds.*

(a) Terms of Bonds. The Bonds will be issued as fully registered bonds, without coupons, in the denomination of \$5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Bonds maturing in the year of maturity of the Bonds for which the denomination is specified. Bonds will be lettered and numbered as the Paying Agent may prescribe. The Bonds will be dated as of the Closing Date.

Interest on the Bonds is payable semiannually on each Interest Payment Date. Each Bond will bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it will bear interest from such date, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it will bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the first Record Date, in which event it will bear interest from the Closing Date. Notwithstanding the foregoing, if interest on any Bond is in default at the time of authentication thereof, such Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(b) Maturities; Basis of Interest Calculation. The Bonds will mature on August 1 (unless otherwise provided in the Official Notice of Sale) in the years and in the amounts, and will bear interest at the rates (not to exceed the legal maximum of eight percent per annum), as determined upon the sale thereof as provided in the Official Notice of Sale. Interest on the Bonds will be calculated on the basis of a 360-day year

comprised of twelve 30-day months. The final maturity of the Bonds shall not exceed the legal limit identified in the Bond Law, and if the final maturity is more than thirty years after the Closing Date, the Superintendent is authorized to execute a certification confirming that the useful life of the facilities to be financed with the proceeds of the Bonds which mature more than thirty years after the Closing Date exceeds the final maturity date of said Bonds.

(c) CUSIP Identification Numbers. CUSIP identification numbers will be imprinted on the Bonds, but such numbers do not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto will not constitute cause for refusal of any purchaser to accept delivery of and pay for the Bonds. In addition, failure on the part of the District to use such CUSIP numbers in any notice to Owners of the Bonds will not constitute an event of default or any violation of the District's contract with such Owners and will not impair the effectiveness of any such notice.

(d) Payment. Interest on the Bonds (including the final interest payment upon maturity or redemption) is payable by check, draft or wire of the Paying Agent mailed to the Owner thereof (which will be DTC so long as the Bonds are held in the book-entry system of DTC) at such Owner's address as it appears on the Registration Books at the close of business on the preceding Record Date; except that at the written request of the Owner of at least \$1,000,000 aggregate principal amount of the Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Bonds will be paid by wire payment on the succeeding Interest Payment Date to such account as will be specified in such written request. Principal of and premium (if any) on the Bonds is payable in lawful money of the United States of America upon presentation and surrender at the Office of the Paying Agent.

(e) Provisions of Official Notice of Sale to Control. Notwithstanding the foregoing provisions of this Section and the following provisions of Section 2.03, any of the terms of the Bonds may be established or modified under the Official Notice of Sale provided such terms are in conformity with the Bond Law. In the event of a conflict or inconsistency between this Resolution and the Official Notice of Sale relating to the terms of the Bonds, the provisions of the Official Notice of Sale will be controlling.

#### SECTION 2.03. *Redemption of Bonds.*

(a) Optional Redemption Dates and Prices. The Bonds are subject to redemption prior to maturity, at the option of the District, in whole or in part, from any available source of funds, on the dates and at the respective redemption prices as set forth in the Official Notice of Sale.

(b) Mandatory Sinking Fund Redemption. If the Official Notice of Sale specifies that any one or more maturities of the Bonds are term bonds which are subject to mandatory sinking fund redemption, each such maturity of Bonds shall be subject to such mandatory sinking fund redemption on August 1 (unless otherwise provided in the

Official Notice of Sale) in each of the years and in the respective principal amounts as set forth in the Official Notice of Sale, at a redemption price equal to 100% of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If any such term bonds are optionally redeemed under the provisions of the preceding clause (a), the total amount of all future mandatory sinking fund payments under this subsection (b) with respect to such term bonds shall be reduced by the aggregate principal amount of such term bonds so redeemed, to be allocated among such payments on a pro rata basis in integral multiples of \$5,000 or on such other basis as the District may determine and direct as set forth in written notice given by the District to the Paying Agent.

(c) Selection of Bonds for Redemption. Whenever less than all of the Outstanding Bonds of any one maturity are designated for redemption, the Paying Agent shall select the Outstanding Bonds of such maturity to be redeemed by lot in any manner deemed fair by the Paying Agent. For purposes of such selection, each Bond will be deemed to consist of individual bonds of \$5,000 principal amount. The Bonds may all be separately redeemed.

(d) Redemption Procedure. The Paying Agent will cause notice of any redemption to be provided via mail or other acceptable electronic means at least 20 days but not more than 60 days prior to the date fixed for redemption, to the respective Owners of any Bonds designated for redemption, at their addresses appearing on the Registration Books. Such notice may be a conditional notice of redemption and subject to rescission as set forth in clause (e) below. Such mailing is not a condition precedent to such redemption and the failure to mail or to receive any such notice will not affect the validity of the proceedings for the redemption of such Bonds. In addition, the Paying Agent will give notice of redemption by telecopy or certified, registered or overnight mail to the Municipal Securities Rulemaking Board and each of the Securities Depositories at least two days prior to such mailing to the Bond Owners.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding Bonds are to be called for redemption, shall designate the serial numbers of the Bonds to be redeemed by giving the individual number of each Bond or by stating that all Bonds between two stated numbers, both inclusive, or by stating that all of the Bonds of one or more maturities have been called for redemption, and shall require that such Bonds be then surrendered at the Office of the Paying Agent for redemption at the said redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

Upon surrender of Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption has been duly given and funds available for the payment of the principal of and interest (and

premium, if any) on the Bonds so called for redemption have been duly provided, the Bonds called for redemption will cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in the notice. The Paying Agent will cancel all Bonds redeemed under this Section and will furnish a certificate of cancellation to the District.

(e) Right to Rescind Notice of Redemption. The District has the right to rescind any notice of the optional redemption of Bonds under subsection (a) of this Section by written notice to the Paying Agent on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption. The District and the Paying Agent shall have no liability to the Bond Owners or any other party related to or arising from such rescission of redemption. The Paying Agent shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under subsection (c) of this Section.

SECTION 2.04. *Form of Bonds.* The Bonds, the form of the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon will be substantially in the form, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution and the Official Notice of Sale, as are set forth in Appendix A attached hereto.

SECTION 2.05. *Execution of Bonds.* The Bonds shall be signed by the manual or facsimile signature of the President of the Board and shall be attested by the manual or facsimile signature of the Secretary or Clerk of the Board. Only those Bonds bearing a certificate of authentication and registration in the form set forth in Appendix A attached hereto, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent is conclusive evidence that the Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

SECTION 2.06. *Transfer of Bonds.* Subject to Section 2.10, any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the Office of the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Bond issued upon any transfer.

Whenever any Bond or Bonds is surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Bond or Bonds, for like aggregate principal amount. No transfers of Bonds shall be required to be made (a) 15 days prior to the date established by the Paying Agent for selection of Bonds for redemption or (b) with respect to a Bond which has been selected for redemption.

SECTION 2.07. *Exchange of Bonds.* Bonds may be exchanged at the principal Office of the Paying Agent for a like aggregate principal amount of Bonds of authorized denominations and of the same maturity, together with a request for exchange signed by the owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. The District may charge a reasonable sum for each new Bond issued upon any exchange (except in the cases of any exchange of temporary Bonds for definitive Bonds). No exchange of Bonds is required to be made (a) 15 days prior to the date established by the Paying Agent for selection of Bonds for redemption or (b) with respect to a Bond after it has been selected for redemption.

SECTION 2.08. *Registration Books.* The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Bonds as herein before provided.

SECTION 2.09. *Book-Entry System.* Except as provided below, DTC shall be the Owner of all of the Bonds, and the Bonds shall be registered in the name of Cede & Co. as nominee for DTC. The Bonds shall be initially executed and delivered in the form of a single fully registered Bond for each maturity date of the Bonds in the full aggregate principal amount of the Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District have no responsibility or obligation to any Depository System Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or a Depository System Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Bonds. The District shall cause to be paid all principal and interest with respect to the Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal and interest with respect to the Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Bonds and delivers a written certificate to DTC and the District to that effect, DTC shall notify the Depository System Participants of the availability

through DTC of Bonds. In such event, the District shall issue, transfer and exchange Bonds as requested by DTC and any other owners in appropriate amounts.

DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the District shall be obligated to deliver Bonds as described in this Resolution. Whenever DTC requests the District to do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Bonds evidencing the Bonds to any Depository System Participant having Bonds credited to its DTC account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal and interest with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided as in the representation letter delivered on the date of issuance of the Bonds.

Section 2.10. *Transfer Under Book-Entry System: Discontinuation of Book-Entry System.* Registered ownership of the Bonds, or any portion thereof, may not be transferred except as follows:

(i) To any successor of Cede & Co., as nominee of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this section (a "substitute depository"); *provided that* any successor of Cede & Co., as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of the DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; *provided*, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository, or (2) a determination by the District to remove The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository.

SECTION 3.03. *Building Fund.* The County Auditor or such other appropriate County official shall create a separate fund designated as the "Rosemead School District, 2014 Election, Series B Building Fund" into which the proceeds from the sale of the Bonds shall be deposited, to the extent required under Section 3.02(b). The County Auditor shall maintain said fund and separate accounting for the proceeds of the Bonds, including all earnings received from the investment thereof. Amounts credited to the Building Fund shall be expended by the District solely for the financing of projects for which the Bond proceeds are authorized to be expended under the Bond Measure (which includes related Costs of Issuance). All interest and other gain arising from the investment of proceeds of the Bonds shall be retained in the Building Fund and used for the purposes thereof. At the Written Request of the District filed with the County Auditor, any amounts remaining on deposit in the Building Fund and not needed for the

purposes thereof shall be withdrawn from the Building Fund and transferred to the Debt Service Fund, to be applied to pay the principal of and interest on the Bonds.

If excess amounts remain on deposit in the Building Fund after payment in full of the Bonds, any such excess amounts shall be transferred to the general fund of the District, to be applied for the purposes for which the Bonds have been authorized or otherwise in accordance with the Bond Law.

**SECTION 3.04. *Professionals.*** The firm of Jones Hall, A Professional Law Corporation, has previously been engaged to act as the District's bond and disclosure counsel in connection with bonds to be issued pursuant to Measure RS, and the firm of Fieldman Rolapp & Associates, Inc., has previously been engaged to act as the District's Municipal Advisor in connection with bonds issued pursuant to Measure RS. Estimated costs of issuance are set for on Appendix B. As required pursuant to Government Code Section 53509.5, after the sale of the Bonds, the Board shall present actual cost information for the sale at its next scheduled public meeting, and an itemized summary of the costs of the Bonds shall be submitted to the California debt and Investment Advisory Commission.

## **ARTICLE IV**

### **SECURITY FOR THE BONDS; DEBT SERVICE FUNDS**

**SECTION 4.01. *Security for the Bonds.*** The Bonds are general obligations of the District. The Board has the power to direct the County to levy *ad valorem* property taxes upon all property within the District that is subject to taxation by the District, without limitation of rate or amount, for the payment of the Bonds and the interest and redemption premium (if any) thereon. The District hereby directs the County to levy on all the taxable property in the District, in addition to all other taxes, a continuing direct and *ad valorem* property tax annually during the period the Bonds are Outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, including the principal of any Bonds upon the mandatory sinking fund redemption thereof under Section 2.03(b), which moneys when collected will be paid to the County Treasurer and placed in the related Debt Service Fund.

No part of any fund or account of the County is pledged or obligated to the payment of the Bonds. The principal of and interest and redemption premium (if any) on Bonds do not constitute a debt (or a pledge of the full faith and credit) of the County, the State of California, or any of its political subdivisions other than the District, or any of the officers, agents or employees thereof. Neither the County, the State of California, any of its political subdivisions nor any of the officers, agents or employees thereof are liable on the Bonds. In no event are the principal of and interest and redemption premium (if any) on Bonds payable out of any funds or properties of the District other than *ad valorem* taxes levied on taxable property in the District. The Bonds, including the interest thereon, are payable solely from taxes levied under Sections 15250 and 15252 of the Education Code.

As provided in Section 15251 of the Education Code, the Bonds are secured by a statutory lien on all revenues received pursuant to the levy and collection of the *ad valorem* property tax. The lien attaches automatically without further action or authorization by the District and is valid and binding from the time the Bonds are executed and delivered.

As required by Education Code Section 15140(c), the District shall transmit a copy of this resolution, together with the debt service schedule for the Bonds, to the office of the County Auditor-Controller and County Treasurer in sufficient time to permit the County to establish tax rates for the Bonds.

**SECTION 4.02. *Establishment of Debt Service Fund.*** The District hereby directs the County Auditor-Controller, which includes any such other appropriate County official charged with such responsibility, to establish a separate fund to be known as the "Rosemead School District 2014 Election, Series B General Obligation Bonds Debt Service Fund", which the County Auditor-Controller shall hold and maintain as separate accounts, distinct from all other funds of the County and the District. All taxes levied by the County, at the request of the District, for the payment of the principal of and interest and premium (if any) on the Bonds shall be deposited in the Debt Service Fund by the County Auditor-Controller promptly upon apportionment of said levy.

In addition, the County Auditor-Controller shall deposit into the Debt Service Funds the amount of premium (if any) received by the District on the sale of the Bonds as provided in Section 3.02(a). The amount of such premium which is deposited in the Debt Service Fund shall be applied to pay interest coming due and payable on the Bonds on the next succeeding Interest Payment Date.

**SECTION 4.03. *Disbursements From Debt Service Fund.*** The County Auditor-Controller shall administer the Debt Service Fund and make disbursements therefrom in the manner set forth in this Section. The County Auditor-Controller shall transfer amounts on deposit in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds when due and payable, to the Paying Agent which, in turn, shall pay such moneys to DTC to pay the principal of and interest on the Bonds. DTC will thereupon make payments of principal and interest on the Bonds to the DTC

Participants who will thereupon make payments of principal and interest to the beneficial owners of the Bonds. Any moneys remaining in the Debt Service Fund after the Bonds and the interest thereon have been paid, shall be transferred to any other interest and sinking fund for general obligation bond indebtedness of the District, and in the event there is no such debt outstanding, shall be transferred to the District's general fund, as provided in Section 15234 of the Education Code. As provided in Section 15232 of the Education Code, amounts in the Debt Service Fund shall also be applied to pay the expense of paying the Bonds elsewhere than at the office of the County. Pursuant to such provision, the District hereby authorizes the application of amounts in the Debt Service Fund to reimburse the County for all costs and expenses incurred by it in processing the District's payments from time to time for the services of the Paying Agent which is designated for the Bonds under Section 6.01.

SECTION 4.04. *Pledge of Taxes.* The District hereby pledges all revenues from the property taxes collected from the levy by the Board of Supervisors of the County for the payment of the Bonds and amounts on deposit in the Debt Service Fund to the payment of the principal or redemption price of and interest on the Bonds. This pledge shall be valid and binding from the date hereof for the benefit of the owners of the Bonds and successors thereto. The property taxes and amounts held in the Debt Service Fund shall be immediately subject to this pledge, and the pledge shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in the interest and sinking fund to secure the payment of the Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. This pledge constitutes an agreement between the District and owners of the Bonds to provide security for the Bonds in addition to any statutory lien that may exist, and such pledge is hereby extended to secure the payment of all other outstanding general obligation bonds of the District which are payable from amounts on deposit in the interest and sinking fund of the District. The District hereby represents and warrants that all of its general obligation bonds, including the Bonds, are or were issued to finance or refinance one or more of projects specified in the applicable voter-approved measure.

SECTION 4.05. *Investments.* All moneys held in any of the funds or accounts established with the County hereunder will be invested in Authorized Investments in accordance with the investment policies of the County, as such policies exist at the time of investment. Obligations purchased as an investment of moneys in any fund or account will be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder will be deposited in the fund or account from which such investment was made, and will be expended for the purposes thereof. The County has no responsibility in the reporting, reconciling and monitoring of the investment of the proceeds of the Bonds.

All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the fund or account from which such investment was made, and shall be expended for the purposes thereof. The District

covenants that all investments of amounts deposited in any fund or account created by or under this Resolution, or otherwise containing proceeds of the Series B Bonds, shall be acquired and disposed of at the Fair Market Value thereof. For purposes of this Section, the term "Fair Market Value" shall mean, with respect to any investment, the price at which a willing buyer would purchase such investment from a willing seller in a bona fide, arm's length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Tax Code) and, otherwise, the term "Fair Market Value" means the acquisition price in a bona fide arm's length transaction (as described above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Tax Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Tax Code, or (iii) the investment is a United States Treasury Security - State and Local Government Series that is acquired in accordance with applicable regulations of the United States Bureau of Public Debt.

## ARTICLE V

### OTHER COVENANTS OF THE DISTRICT

SECTION 5.01. *Punctual Payment.* The Board hereby requests the County to levy *ad valorem* property taxes, as provided in Section 15250 of the Education Code, so as to enable the District to punctually pay, or cause to be paid, the principal of and interest on the Bonds, in conformity with the terms of the Bonds and this Resolution. In no event shall the District be obligated to pay principal of and interest and redemption premium, if any, on the Bonds out of any funds or properties of the District other than *ad valorem* property taxes levied upon all taxable property in the District; provided, however, nothing herein contained prevents the District from making advances of its own moneys howsoever derived to any of the uses or purposes permitted by law, including, in its sole discretion, to debt service with respect to the Bonds.

SECTION 5.02. *Books and Accounts; Financial Statements.* The District will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the District in which complete and correct entries are made of all transactions relating to the expenditure of the proceeds of the Bonds. SECTION 5.03. *Protection of Security and Rights of Bond Owners.* The District will preserve and protect the security of the Bonds and the rights of the Bond Owners, and will warrant and defend their rights against all claims and demands of all persons.

Following the issuance of the Bonds by the District, the Bonds shall be incontestable by the District.

SECTION 5.04. *Tax Covenants.*

(b) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or the County or otherwise, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Tax Code.

(d) Maintenance of Tax-Exemption. The District shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The District shall calculate or cause to be calculated excess investment earnings with respect to the Bonds which are required to be rebated to the United States of America under Section 148(f) of the Tax Code, and shall pay the full amount of such excess investment earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code, if and to the extent such Section 148(f) is applicable to the Bonds. Such payments shall be made by the District from any source of legally available funds of the District. The District shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Bonds, records of the determinations made under this subsection (e). In order to provide for the administration of this subsection (e), the District may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the District may deem appropriate.

(f) Small Issuer Exemption from Bank Nondeductibility Restriction. The District hereby designates the Bonds for purposes of paragraph (3) of Section 265(b) of the Tax Code and represents that not more than \$10,000,000 aggregate principal amount of obligations the interest on which is excludable (under Section 103(a) of the Tax Code) from gross income for federal income tax purposes (excluding (i) private activity bonds, as defined in Section 141 of the Tax Code, except qualified 501(c)(3) bonds as defined in

Section 145 of the Tax Code and (ii) current refunding obligations to the extent the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligation), including the Bonds, has been or will be issued by the District, including all subordinate entities of the District, during the calendar year 2021. If the District determines prior to the sale of the Bonds that obligations which exceed \$10,000,000 aggregate principal amount will be issued in calendar year 2021, the District Representative shall provide in the Official Notice of Sale that the Bonds are not bank qualified.

SECTION 5.05. *Continuing Disclosure.* The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, which shall be executed by a District Representative and delivered on the Closing Date. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate does not constitute a default by the District hereunder or under the Bonds; however, any Participating Underwriter (as that term is defined in the Continuing Disclosure Certificate) or any holder or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

The District hereby covenants and agrees that it will comply with and the provisions of California Government Code Section 8855 subdivision (k) with respect to annual reporting to the California Debt and Investment Advisory Commission. Said reporting will occur at the times and include the types of information as set forth therein. SECTION 5.07. *Further Assurances.* The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Resolution, and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in this Resolution.

## ARTICLE VI

### THE PAYING AGENT

SECTION 6.01. *Appointment of Paying Agent.* U.S. Bank National Association, as agent for the Treasurer and Tax Collector of Los Angeles County, shall act as the initial Paying Agent for the Bonds. In such capacity, the Paying Agent shall also act as registration agent and authentication agent for the Bonds. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Bonds, no implied covenants or obligations shall be read into this Resolution against the Paying Agent. The Board hereby approves the execution and delivery of a Paying Agent Agreement between the District and the Paying Agent. A District Representative is hereby authorized and directed to execute the final form of such Paying Agent Agreement on behalf of the District.

The District may remove the Paying Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank, national banking association or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least \$50,000,000, and subject to supervision or examination by federal or state authority. Upon receiving notice of such resignation, with the written consent of the County Treasurer (which shall not unreasonably be withheld) the District shall promptly appoint a successor Paying Agent by an instrument in writing. Any resignation or removal of the Paying Agent and appointment of a successor Paying Agent will become effective upon acceptance of appointment by the successor Paying Agent.

SECTION 6.02. *Paying Agent May Hold Bonds.* The Paying Agent may become the owner of any of the Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

SECTION 6.03. *Liability of Agents.* The recitals of facts, covenants and agreements in this Resolution and in the Bonds constitute statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Bonds, nor shall incur any responsibility in respect thereof, other

than as set forth in this Resolution. The Paying Agent is not liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent is not liable for any error of judgment made in good faith by a responsible officer in the absence of the negligence of the Paying Agent.

No provision of this Resolution requires the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys the Paying Agent shall be responsible for any misconduct or negligence on the part of any agent or attorney appointed by it hereunder.

SECTION 6.04. *Notice to Paying Agent.* The Paying Agent may rely and is protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent deems it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof is specifically prescribed in this Resolution) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

SECTION 6.05. *Compensation; Indemnification.* The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under Resolution. The District further

agrees to indemnify the Paying Agent against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

## ARTICLE VII

### REMEDIES OF BOND OWNERS

SECTION 7.01. *Remedies of Bond Owners.* Any Bond Owner has the right, for the equal benefit and protection of all Bond Owners similarly situated:

- (a) by mandamus, suit, action or proceeding, to compel the District and its board members, officers, agents or employees to perform each and every term, provision and covenant contained in this Resolution and in the Bonds, and to require the carrying out of any or all such covenants and agreements of the District and the fulfillment of all duties imposed upon it;
- (b) by suit, action or proceeding in equity, to enjoin any acts or things which are unlawful, or the violation of any of the Bond Owners' rights; or
- (c) upon the happening and continuation of any default by the District hereunder or under the Bonds, by suit, action or proceeding in any court of competent jurisdiction, to require the District and its board members and employees to account as if it and they were the trustees of an express trust.

SECTION 7.02. *Remedies Not Exclusive.* No remedy herein conferred upon the Owners of Bonds is exclusive of any other remedy. Each and every remedy is cumulative and may be exercised in addition to every other remedy given hereunder or thereafter conferred on the Bond Owners.

SECTION 7.03. *Non-Waiver.* Nothing in this Article VII or in any other provision of this Resolution or in the Bonds, affects or impairs the obligation of the District, which is absolute and unconditional, to pay the principal of and interest on the Bonds to the respective Owners of the Bonds at the respective dates of maturity, as herein provided, or affects or impairs the right of action against the District, which is also absolute and unconditional, of such Owners to institute suit against the District to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Bond Owner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner of any of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any

such default or an acquiescence therein, and every power and remedy conferred upon the Bond Owners by this Article VII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners of the Bonds.

If a suit, action or proceeding to enforce any right or exercise any remedy be abandoned or determined adversely to the Bond Owners, the District and the Bond Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

## ARTICLE VIII

### AMENDMENT OF THIS RESOLUTION

SECTION 8.01. *Amendments Effective Without Consent of the Owners.* The Board may amend this Resolution from time to time, without the consent of the Owners of the Bonds, for any one or more of the following purposes:

- (d) To make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds.

SECTION 8.02. *Amendments Effective With Consent of the Owners.* The Board may amend this Resolution from time to time for any purpose not set forth in Section 8.01, with the written consent of the Owners of a majority in aggregate principal amount of the Bonds Outstanding at the time such consent is given. Without the consent of all the Owners of such Bonds, no such modification or amendment shall permit (a) a change in the terms of maturity of the principal of any Outstanding Bonds or of any interest payable thereon or a reduction in the principal amount thereof or in the rate of interest thereon, (b) a reduction of the percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, (c) a change in any of the provisions in

Section 7.01 or (d) a reduction in the amount of moneys pledged for the repayment of the Bonds, and no right or obligation of any Paying Agent may be changed or modified without its written consent.

## ARTICLE IX

### MISCELLANEOUS

SECTION 9.01. *Benefits of Resolution Limited to Parties.* Nothing in this Resolution, expressed or implied, gives any person other than the District, the County, the Paying Agent and the Owners of the Bonds, any right, remedy, claim under or by reason of this Resolution. The covenants, stipulations, promises or agreements in this Resolution are for the sole and exclusive benefit of the Owners of the Bonds.

#### SECTION 9.02. *Defeasance of Bonds.*

(a) Discharge of Resolution. Any or all of the Bonds may be paid by the District in any of the following ways, provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

- (i) by paying or causing to be paid the principal or redemption price of and interest on such Bonds, as and when the same become due and payable;
- (ii) by irrevocably depositing, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem such Bonds; or
- (iii) by delivering such Bonds to the Paying Agent for cancellation by it.

If the District pays all Outstanding Bonds and also pays or causes to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Bonds have not been surrendered for payment, this Resolution and other assets made under this Resolution and all covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 9.02(b). In such event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it under this Resolution which are not required for the

payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem any Outstanding Bond (whether upon or prior to its maturity or the redemption date of such Bond), provided that, if such Bond is to be redeemed prior to maturity, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, then all liability of the District in respect of such Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 9.02(d) shall apply in all events.

The District may at any time surrender to the Paying Agent for cancellation by it any Bonds previously issued and delivered, which the District may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) Deposit of Money or Securities with Paying Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent or other escrow holder money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may include money or securities held by the Paying Agent in the funds and accounts established under this Resolution and shall be:

- (i) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Bonds and all unpaid interest thereon to the redemption date; or
- (ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Bonds which are to be redeemed prior to the maturity

thereof, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice.

(d) Payment of Bonds After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Bonds and remaining unclaimed for two years after the principal of all of the Bonds has become due and payable (whether at maturity or upon call for redemption as provided in this Resolution), if such moneys were so held at such date, or two years after the date of deposit of such moneys if deposited after said date when all of the Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; *provided, however*, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof. Thereafter, the District shall remain liable to the Owners for payment of any amounts due on the Bonds, which amounts shall be deemed to be paid by the District from moneys remitted to it by the Paying Agent under this subsection (d).

SECTION 9.03. *Execution of Documents and Proof of Ownership by Bond Owners.* Any request, declaration or other instrument which this Resolution may require or permit to be executed by Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Bond Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of registered Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.

SECTION 9.04. *Waiver of Personal Liability.* No Board member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Bonds; but nothing herein contained shall relieve any such Board member, officer, agent or employee from the performance of any official duty provided by law.

SECTION 9.05. *Limited Duties of County; Indemnification.* Notwithstanding anything stated to the contrary in this Resolution, the Bonds are not a debt of the County, including its Board, officers, officials, agents and employees, and the County, including its Board, officers, officials, agents and employees, has no obligation to repay the Bonds. Neither the County, nor its Board of Supervisors, nor any officer, official, agent or employee of the County, shall have any obligation or liability hereunder or in connection with the transactions contemplated hereby other than as specified in the Education Code. The Bonds, including the interest thereon, are payable solely from taxes levied under Section 15250 of the Education Code. The County has no responsibility and assumes no liability whatsoever arising from the expenditure of the proceeds of the Bonds by the District.
