

Dear Rosemead Families,

Generosity without Boundaries or Borders – A Time of Thankfulness and Gracious Giving

The Rosemead School District students, employees, staff, board, families, and community members graciously purchased 191 pairs of brand new pairs of shoes for their assigned child. The response of the group was overwhelming and their willingness to help a child is amazing and sincerely heartfelt. Our community is giving to others because we want to help whenever and wherever we can and our staff/community makes amazing contributions without boundaries or borders. Our employees are global citizens and we each strive to pass this giving philosophy onto each of our students. We have an amazing team at each of our schools and the District Office and each employee serves always keeping students in mind.

The Rosemead School District Board of Trustees and Administration recognizes the impressive generosity of its students, staff, Board, families, and community members during the 2nd Annual Los Angeles Police Department 77th Street Area, "Operation Shoes from Santa 2014."

Each year Community Relations Officers have partnered with 16 schools in the Los Angeles area and identified children to give shoes to. The event is scheduled for December 9, 2014 at 77th Street Area Station in South Los Angeles. Please visit our website for the event flyer.
