Message from the Interim Superintendent

Dear Rosemead Community and Friends,

It is a true honor to have been selected by the Rosemead School District Board of Trustees to serve as the Interim Superintendent. With a humble and servant-leader heart, I have accepted this important position to help our wonderful district transition and move forward in continuing the excellent work we are doing here in Rosemead.

One of my first priorities is to reassure our staff and community that we will continue to move forward in a positive and exciting direction. For the past few weeks, I have been meeting with many staff members and department leads, as well as union representatives in order to develop collaborative relationships and to gain a better understanding of the needs of our district. I am truly thankful for the support I've received from everyone. We have a great team with tremendous strengths. Together, we will continue to bring only the best to our students, parents and staff. With all four elementary schools as Leader In Me Lighthouse Schools, and our middle school on the way, we will be a light to our community. Our students will continue to receive the highest quality education.

For those of you who may not know my background, I've been the principal of Encinita Elementary School for the past eight years. Prior to that, I've been a PK-8 principal, a 7-8 assistant principal, and a classroom teacher for 10 years. Teaching is my passion, mission and calling. As a principal, especially at Encinita, I have lead our team through collaboration, shared leadership and growing our capacity. In 2015, I received my Ph.D. in Urban Educational Leadership from Claremont Graduate University. I have an M.A. in Education from Biola University and I completed my administrative credential from Azusa Pacific University. I received my B.A. in Psychology from the University of California, San Diego and studying abroad at Oxford University was a lifelong dream.

On behalf of my colleagues and Board of Trustees at the Rosemead School District, we all wish you, your staff, and our students the greatest success during the 2018-2019 school year. To view the **new school year calendar**, please visit our website (or your school site at) www.rosemead.k12.ca.us under Quick Links, and click on the link "Students - School Calendar."

We hope you will continue to enjoy the remainder of the summer and look forward to seeing you frequently this new school year by attending our exciting school events to see the 21st century teaching and learning happening at our schools.

We look forward to seeing all our smiling students on **Wednesday, August 22, 2018** for the 1st day of the new school year.

Thanks for your partnership!

Leading together,

Jennifer Fang, Ph.D.
Interim Superintendent
