Message from the Interim Superintendent

Dear Rosemead Community and Friends,

We are off to a great start for the new school year. Our District had a wonderful Welcome Back event to inspire our teachers and staff. Dr. Daryl Adams, our motivational speaker's message, *"Going All In for All Kids"*, encouraged our team by reminding us of why all of us are here- we are here to do everything we can to help our students succeed. His TLC's (Trust, Love and Communication) will be a focus for us this year. My message for our team was about being our personal best so we can bring the best to our students and help them be their personal best, as well as bringing the best out of those around us.

Our Board of Trustees shared words of encouragement to the teachers and staff, reminded them of how vital they are to our students and district and affirmed them that their hard work and dedication is greatly appreciated.

We started two social media accounts, Instagram and Twitter, so please follow us for updates and news. Our website is also being updated so it will have a clean and modern design with improved user friendliness.
