

WELCOME BACK TO SCHOOL!

FREE BREAKFAST AND LUNCH!

USDA has extended free breakfast & lunch to all Rosemead students through the 2021-22 school year. Regardless of the student's eligibility, meals will be FREE for all students!

Under Seamless Summer Option

The SSO program offers a variety of hot & cold food entrees in addition to fresh fruits & vegetables. All meals meet USDA meal pattern requirements. Breakfast includes whole grain-rich selections, fresh fruit, 100% fruit juice, skim white or skim chocolate milk. For breakfast, proteins are offered but not required. Lunch includes all the items above & vegetable offerings.

To start the school year, salad bars will be closed. However, a colorful salad will be offered daily for lunch. We will bring this option back to our lunchrooms as soon as it is safe to do so.

Meal Application/ Household Income Form

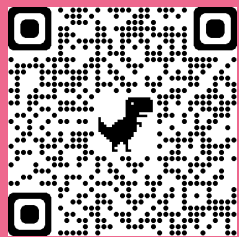

Although students are receiving free meals this school year, we are asking families to complete the Household Income Data Collection form because the information provided helps to ensure the Rosemead School District receives all available State funding to support our educational programs and services, now and into the future.

If this form is not completed and returned by September 30, 2021, the District will be at risk for funding reductions that may impact these vital programs and services. You can access the form by scanning the QR code or completing a hard copy that was emailed or mailed to you.

Special Diets

To accommodate students with special diets due to a medical need, a medical statement to request special meals and/or accommodations must be completed and signed by a state licensed Healthcare Professional. Use the link to access the form: <https://bit.ly/3fpj48f>
