# Positive Behavior Intervention Support PBIS

PBIS is a way for **schools** to encourage good behavior. With **PBIS**, **schools** teach kids about behavior, just as they would teach about other subjects like reading or math. The focus of **PBIS** is prevention, not punishment.

# What is a CA Distinguished School

The Distinguished Schools program recognizes schools based on performance and progress on the state indicators as specified on the California School Dashboard. Indicators include test scores, suspension rates, and conditions and climate.

323 out of 5,887 schools were awarded the title.

## State Superintendent, Tony Thurmond

“These outstanding schools don’t just educate students; they also provide the young people of California the tools they need to be successful after graduation,” Thurmond said. “Thanks go to all the staff at these schools—teachers, administrators, classified employees—and parents, who are working together to provide high-quality educational experiences for all of their students.”
