## FIRST LIGHTHOUSE SCHOOL IN CALIFORNIA!

Mildred B. Janson Elementary School (Grades PreK-6th) is proud to be an official "Leader in Me Lighthouse" School. Thank you to our community partnerships with Panda Corporation, Franklin Covey, Rosemead Hilton DoubleTree, and other community businesses. Come and see firsthand how our Title One Public School has made changes in its culture and is practicing leadership models at all grade levels. If championing leaders and responsible citizens is a goal at your school, then come see for yourself what effective changes it can make.
