## *Message from the Superintendent*

Dear Rosemead Community,

To say that this has been a challenging year would be an understatement. Who could have imagined that the world would be so different than what we experienced this time last year? Yet, with all the obstacles we have faced, our commitment to providing the best possible educational experience to our students has not wavered. Over the last ten months, we have learned a new way of teaching and learning. We have adapted to virtual student celebrations, virtual meetings, virtual friendships, and virtual family gatherings. And throughout all of this, our district commitment to serving our students has provided us both energy and reward. I am humbled to be a part of our amazing school district, I am proud to work alongside our dedicated and talented staff, and I am continually amazed by our students.
