## Message from the Superintendent

Greetings Rosemead Community,

After almost 20 months of distance and hybrid learning, we excitedly welcomed back students to full in-person instruction on August 18, 2021. It was great to see all of our students' smiling faces as they filled our hallways and classrooms after being gone for so long. As we enter our second month of the school year, we want to engage our families for a conversation on new health protocols and updates as well as provide support and guidance to help their children succeed.
