## *Message from the Superintendent*

Greetings Rosemead Community,

To say that this has been a challenging last couple of years would be an understatement. Who would have imagined living through a pandemic that included school closures, distance learning, daily mask-wearing, COVID testing, and many other safety measures. Despite all the obstacles we have faced, our commitment to providing the best possible educational experience to our students has not wavered. With your support and the hard work of our talented staff, we were able to welcome back students for in-person instruction this year. This is a testament to our commitment to serving our students, families, and community. We did not do this work alone. Our Rosemead community came together and supported our students and staff with generous donations of Personal Protective Equipment (PPE) assisting us to ensure the safety of everyone in our district community.

These last two years have taught us to count our blessings, be humble, be kind, be understanding, and most importantly, be a support for one another. I am humbled to be a part of our amazing school district and proud to work alongside our dedicated and talented staff. I am continually amazed by the hard work, talents, and dedication of our students.

I hope you will have the opportunity during our break to spend time and celebrate with family and friends.

The Rosemead School District schools will be closed on Monday, December 20, 2021 – Tuesday, January 4, 2022. The District office will be open on the following dates: December 20, 21, 27, 28, and 29, 2021. School will resume Wednesday, January 5, 2022.

We wish you all a blessed Holiday Season, and a safe, happy, and healthy New Year.

Respectfully,

*Alejandro Ruvalcaba*  
Superintendent of Schools
