Message from the Superintendent

Dear Rosemead Community,

I hope everyone is enjoying their summer break. Our school district is a buzz with activity. Our summer programs are going very well. Students at Janson Elementary, Savannah Elementary, and Muscatel Middle schools are enjoying academic and enrichment courses designed to support their transition to their next grade level.

You may have noticed construction work at Encinita Elementary and Shuey Elementary schools. Both campuses are getting much-needed facilities upgrades and campus beautification. This work is part of our facilities master plan and was funded by our bond funds. Additionally, we are installing state-of-the-art security cameras and monitoring systems at all of our schools and district facilities as an added layer of protection and safety. All of the projects will be completed before the start of the school year.

You may have questions about the new school year. Our administrative team is working diligently to prepare for the first day of the 2022-2023 school year. Please continue to monitor your email and our school and district websites for more information regarding the new school year.

To view the **new school year calendar**, please visit our website (or your school site) at www.rosemead.k12.ca.us, then click on the 2022-2023 Professional Academic School Calendar icon.

On behalf of our Board of Trustees and District family at the Rosemead School District, we wish you, your family, and friends, a fun and relaxing summer break and great success during the 2022-2023 school year.

We hope to see you on the 1st day of school - **Wednesday, August 17, 2022.**
