### Rosemead School District Congratulates Emma W. Shuey Elementary School for being Honored as a 2025 California Distinguished School

**Rosemead, California** – The Rosemead School District congratulates the students and staff of Emma W. Shuey Elementary School (Shuey) for being recognized as a 2025 California Distinguished School by State Superintendent of Public Instruction Tony Thurmond. This prestigious award highlights the school's exceptional performance and unwavering commitment to closing the achievement gap.

The California Distinguished Schools Program honors schools that demonstrate excellence in two key categories: closing the achievement gap and achieving exceptional student performance outcomes. Emma W. Shuey Elementary School's dedication to fostering an inclusive and effective learning environment has earned it this esteemed recognition.

The state selects schools for this recognition by using multiple measures to identify eligible schools based on their performance on the state indicators as specified on the California School Dashboard. Based on the data analyzed on the 2024 Dashboard, Shuey demonstrated a focus on excellence and growth in academic achievement and ensuring a positive school climate.

Located at 8472 East Wells Street in Rosemead, Emma W. Shuey Elementary serves the Rosemead community within the Rosemead Elementary School District. The school's commitment to academic excellence and student development is evident in its innovative programs and dedicated staff.

"It is my pleasure to honor and recognize these 336 elementary schools for their efforts to provide exemplary public education to all students," said Superintendent Thurmond. "Excellent elementary schools play a critical role in the life outcomes of our young people."

Emma W. Shuey Elementary School's achievement reflects the hard work of its educators, students, and the broader school community. This recognition serves as a testament to their dedication to fostering academic success and equity.

Principal Dr. Debra Boeve-Letcher shared the following, "On behalf of the entire Shuey staff we are honored to be recognized as a 2025 California Distinguished School. This accolade reflects the unwavering dedication of our teachers, staff, students, and parents in fostering an environment of academic excellence and inclusivity. Our collective commitment to narrowing the achievement gap and promoting equity has been pivotal in achieving this distinction. We will continue to strive for excellence, ensuring that every student is empowered to reach their full potential."
