PREAMBLE

This Agreement is entered into by and between the ROSEMEAD SCHOOL DISTRICT (hereinafter “**District**”) and the ROSEMEAD TEACHERS’ ASSOCIATION/CALIFORNIA TEACHERS ASSOCIATION/NATIONAL EDUCATION ASSOCIATION (hereinafter “**Association**”), and supersedes the prior agreement between the parties dated July 1, 2013. This Agreement is made pursuant to the provisions of Government Code sections 3540, et seq.

NOW, THEREFORE, in consideration of the mutual promises and agreements contained herein, the parties agree as follows:

ARTICLE I – RECOGNITION

1.1 For the term of this Agreement, the District recognizes the Association as the exclusive representative for the following groups of certificated employees: Classroom teachers (grades TK-8), including but not limited to special education teachers, reading specialists, speech therapists, instructional music teachers, Teachers on Special Assignment, ELD teachers, counselors, nurses, and share teachers.

Excluded: Psychologists, substitute teachers, home teachers, and all management employees as defined in the Educational Employment Relations Act.

ARTICLE II – DISTRICT RIGHTS

2.1 All District rights, powers, authority and functions, including rights to direct, manage, and control the school district, whether heretofore or hereafter exercised, and regardless of the frequency or infrequency of their exercise, to the full extent of the law shall remain vested exclusively in the District except to the extent specifically surrendered by the express provisions of this Agreement.

ARTICLE III – WORK STOPPAGES

3.1 Separate and apart from, and in addition to existing legal restrictions upon work stoppages, the Association hereby agrees that neither it nor its members, agents, representatives, or certificated bargaining unit members shall call, cause, authorize, ratify, or engage in any strike, walkout, slowdown, or other work stoppage of any nature whatsoever until completion of all impasse procedures prescribed by the Government Code. The Association further agrees that neither it nor its members, agents, representatives, or certificated bargaining unit members shall call, cause, authorize, ratify, or engage in any picketing on District property or during work hours of certificated unit members.

ARTICLE IV – SAVINGS CLAUSE

4.1 In the event any Article, Section, or portion of this Agreement shall be declared invalid or in contravention of any federal or state law or regulation by a court of competent jurisdiction, the remaining provisions of this Agreement shall not be invalidated thereby and shall remain in full force and effect.

ARTICLE V – MAINTENANCE OF BENEFITS

5.1 The parties agree that written district policies related to wages, hours of employment, and other terms and conditions of employment as defined in Section 35643.2 of Chapter 10.7, Division 4, of Title I of the Government Code shall be in force for the term of this Agreement and the District shall not modify or change these policies with respect to the certificated bargaining unit, except: (1) where the policy is in conflict with law; (2) where required by state or federal statute enacted during the term of this Agreement; or (3) where required by state or federal case law decided during the term of this Agreement.

ARTICLE VI – WAIVER OF MEET AND NEGOTIATION

6.1 The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of school district bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to meet and negotiate or to bargain collectively with respect to any subject or matter whether or not specifically referred to or covered in this Agreement, except as provided in Article V and VII.

6.2 This Article does not prevent the Association from bargaining about a change in past practice, which may be proposed by the District if the proposed change is within the scope of bargaining as defined by Government Code section 3543.2.

6.3 This Article should not preclude the parties from meeting and negotiating with respect to collective bargaining agreements to take effect after the expiration of the term of this Agreement.

ARTICLE VII – TERM OF AGREEMENT

7.1 This Agreement shall be in full force and effect from July 1, 2019 through and including June 30, 2022. The Association may propose contractual changes limited to salaries and fringe benefits for 2019-20, 2020-21, and 2021-22 school years. For such re-opener, either party may submit two (2) additional proposals for purposes of negotiations. Additional negotiations and/or revisions to this Agreement may occur by mutual agreement of the parties at any time. Such re-openers shall not affect the existence and/or continuity of the remainder of the contractual provisions except by mutual agreement.

ARTICLE VIII – GRIEVANCE PROCEDURE

8.1 Definitions

8.1.1 A “grievance” is an alleged violation or misapplication or misinterpretation of provisions of this Agreement.

8.1.2 An “aggrieved person” or “grievant” is the Association or unit member making the claim.

8.1.3 The term “day” shall mean a regularly assigned work day for the unit members, excluding summer sessions.

8.2 Procedure

8.2.1 The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to grievances.

8.2.2 Unit members are encouraged to meet with their immediate supervisor in an effort to resolve potential grievances.

8.2.3 The time limits prescribed herein may be extended by mutual written agreement of the District and Association. If a grievance is not processed by the grievant in accordance with the time limits set forth in this Article, it shall not be subject to arbitration and shall be considered settled on the basis of the decision last made by the District. If the District fails to respond to the grievance in a timely manner, at any level, the running of the time limit shall be deemed a denial of the grievance and termination of the level involved, and the grievant may proceed to the next step.

8.2.4 Grievance documents and materials incidental to the processing of a grievance will be maintained in a separate grievance file.

8.2.5 Reasonable release time will be provided for processing of grievances. Grievances will be processed during non-instructional time whenever possible.

8.2.6 Processing and discussing the merits of an alleged grievance shall not constitute a waiver of a defense that the dispute is not grievable, provided that such defense was raised prior to submitting the grievance to arbitration.

8.2.7 Grievances which arise out of acts or omissions that are alleged to have occurred above the level of the school site administration, or that involve more than one school site, may be filed initially at Level Two within the same time limits and including the

same documentation as required at Level One. This does not preclude an informal resolution of the grievance with the superintendent or designee.

8.3 Progression of Grievance

8.3.1 Level One

In the event the grievant wishes to initiate a grievance, the grievant shall submit to the immediate supervisor a written statement which shall describe the facts and conditions giving rise to the grievance, the provisions of the Agreement alleged to have been violated, and the remedy sought. The written statement which shall be submitted within thirty (30) days after the act or omission giving rise to the grievance, or the time that the grievant became aware of the alleged act or omission. If the grievance involves a probationary unit member, the time limit for initiating the grievance shall be extended to April 15th of their second year of probation. The immediate supervisor may call a meeting with the grievant and Association representative prior to issuing a written response. The immediate supervisor shall respond in writing to the grievant within ten (10) days of receipt of the written Level One grievance.

8.3.2 Level Two

In the event the grievant is not satisfied with the response from the immediate supervisor, or if no response is received within the ten (10) days, the grievant may appeal to the Superintendent, or designee, within ten (10) days after receipt of the Level One response, or its due date. The written statement shall describe the facts and conditions giving rise to the grievance, the provisions of the Agreement alleged to have been violated, and the remedy sought. The Superintendent, or designee, may call a meeting with the grievant and Association representative prior to issuing a written response. The Superintendent, or designee, shall respond to the grievant in writing within ten (10) days after receiving the appeal.

8.3.3 Level Three

If the grievant is not satisfied with the response of the Superintendent, or designee, the grievant may, within ten (10) days of its receipt or due date, request the Association to submit the grievance to arbitration. The Association shall notify the District that such a request has been received within five (5) days of receipt. The Association shall give

written notice of its decision, whether or not to submit the grievance to arbitration, to the grievant and the District within twenty (20) days after receipt of the request from the grievant.

8.3.4 Arbitration

8.3.4.1 The selection of the Arbitrator and the processing of the appeal shall be conducted according to the Voluntary Labor Arbitration Rule of the American Arbitration Association, except as otherwise mutually agreed to in writing. All fees and expenses of the Arbitrator shall be borne equally by the parties. Each party shall bear the expenses of the presentation of its own case.

8.3.4.2 The Arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation, misinterpretation, or misapplication of provision(s) of this agreement in the respect alleged in the grievance and the appropriate remedy, if any. The decision of the Arbitrator shall be based solely upon the evidence and arguments presented by the respective parties in the presence of each other, and upon arguments presented in briefs.

8.3.4.3 The Arbitrator shall not have authority, nor consider it his/her function to decide any issue not submitted or to so interpret or apply to the Agreement as to change that which can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction.

ARTICLE IX – PERSONNEL FILES

9.1 Location of Personnel Files

All personnel files of unit members shall be located at the District Office.

9.2 Materials in Personnel Files

Materials in the file will be made available for inspection by the unit member during non-instructional time provided, however, that such inspection is not to include ratings, reports, or records, which were:

12.7 Substitute Teachers – Elementary Schools

12.8 Substitute-Shared Teaching

As stated in Appendix D of the collective bargaining agreement

Part-time Teaching:

Both teachers will substitute for one another when absent from class, unless extenuating circumstances preclude this.

ARTICLE XIII – CLASS SIZE

13.1 Student/Teacher Ratios

The District shall make reasonable efforts to meet the following student/teacher ratios, subject to the constraints of staff availability and qualifications, plant and classroom limitations, student transportation problems, avoidance of double sessions, special student needs such as concentrations of educationally disadvantaged students, innovations in methods and program and financial ability:

13.1.1 Elementary School

Each elementary school (grades TK-6) shall be staffed on a ratio of one (1) teacher for each thirty (30) students. This ratio shall exclude all Special Education teachers, ESL teachers, and staff associates.

13.4 District Assurance of Compliance with Class Size Limits

A unit member or the Association reports in writing to the Principal and Superintendent/designee that his/her class exceeds the above maximums, the District shall ensure compliance with the maximums within fifteen (15) working days (excluding the first three weeks of school) from the date said notice is received by the Superintendent or designee.

ARTICLE XIV – TRANSFER AND REASSIGNMENT

14.1 Definitions

14.1.1 A transfer is defined as a change from the unit member’s assigned work location to another work location at a different work site.

14.1.2 A reassignment is defined as a change of position within the same school or facility. Specifically, in grades TK-6, it is a change of grade level and in grades 7-8, a change from one (1) subject matter area to another.

14.2 Intra-School Reassignment

When a unit member vacates an existing position at a school, the position will be posted in writing for five (5) working days. If the position is filled by another teacher from that campus, the newly vacated position will again be posted in writing on the same campus. The remaining open position will then be reported to the Superintendent or designee for posting within the District.

14.3 Posting of Vacancies

14.3.1 Notice of Vacancy

A vacancy is any vacated or newly created position within the bargaining unit. The District shall develop and deliver to each unit member and the president of the Association, and post at each school, a notice of each vacancy as soon as the District determines the need to fill the vacancy. Each notice shall state:

- A deadline for applications which shall be not less than five (5) working days between September 1 and June 30, and not less than seven (7) weekdays between June 1 and August 31, after the first date of posting;
- A description of the position and duties; and
- A list of all qualifications and requirements for the position.

The vacancy shall not be filled prior to the posted deadline.

14.3.2 Notice of Vacancies – Summer Session

The District shall, upon request of a unit member, notify that unit member of any vacancies which may arise during the summer recess or period of leave which meet the

specification of his/her request. The unit member's request must be in writing and must include a mailing address for the summer or period of leave.

14.3.2.1 The District will give special consideration to current unit members for vacant positions. Special consideration means that applicants who qualify according to the criteria in the posted notice, described in 14.3 above, will be interviewed before the position is advertised externally.

14.3.2.2 When no qualified applicant exists within the District, the District may seek qualified applicants from outside the District.

14.4 Involuntary (Initiated by the District)

14.4.1 Involuntary transfers or reassignments are those initiated by the District and shall not occur except when required to meet demonstrable educational needs of the District, which may include, but are not limited to, enrollment changes, program changes, school closures, changes in curriculum or course offerings, identifiable educational needs of the pupils, or vacancies caused by death, retirements, or resignations.

14.4.1.1 Prior to initiating a transfer or reassignment, the administrator shall identify in writing the demonstrable educational needs which give rise to the transfer or reassignment.

14.4.1.2 The administrator shall then distribute his/her description of the circumstances which may necessitate transfer or reassignment to the Association president and to those unit members potentially involved and make a good faith effort to meet those needs through the use of a volunteer(s).

14.4.1.3 In the case of a school losing a grade level position due to declining enrollment, the principal will first request a volunteer to change grade levels. If a volunteer is not available, the teacher with the least seniority at the grade level affected at that school will be involuntarily transferred/reassigned to an available grade level position. The teacher transferred to the new grade level may accept the position or may apply for any other vacancies at the affected school or any other vacancies district wide. If a vacancy is not available at the affected school, the teacher with the least seniority at the school will be transferred to another school.

If more than one vacancy is available, the affected teacher will have the opportunity to select from the vacancies.

If more than one teacher must be involuntarily transferred/reassigned, the teacher with the most seniority has first choice at the vacancies.

The District and the Rosemead Teachers' Association agree to minimize the disruption to the educational process when involuntary transfers/reassignments are necessary.

14.4.2 Condition for Involuntary Transfers or Reassignments

Involuntary transfers or reassignments shall not be made for disciplinary reasons or when the identified need can be met through the use of a unit member who volunteers.

14.4.3 Displacement from Positions at a School Site/Reconfiguration of Programs/ Declining Enrollment/Elimination of Services

14.4.3.1 Definitions

- Reconfiguration: Refers to a grade level assignment that has changed under the guidelines of 14.4.1.
- Displacement: Refers to involuntary loss of a grade level, subject matter, program, or school position.
- Seniority: The Rosemead Teachers' Association and the Rosemead School District agree that the date of the first paid certificated service, regardless of credential held (excluding substitute teachers), will serve as the "seniority" date for purposes of transfer/reassignments and layoffs. The Rosemead Teachers' Association and the Rosemead School District agree that California Education Code section 44845 shall govern this issue. Section 44845 states: "Every probationary or permanent employee employed after June 30, 1947, shall be deemed to have been employed on the date upon which he first rendered paid service in a probationary position." Authority – *California Teachers Association v. Vallejo City Unified School District* (2007) 149 Cal.App.4th 135; April 27, 2011, Administrative Law Judge Decision (Cohen) Before The Governing Board of the Rosemead School District OAH No. 2011020276.

14.4.4 Transfer/Reassignment Procedures

No provisions in this article shall be deemed to preempt or supersede California Education Code Section 35035 (e) and other Transfer/Reassignment provisions contained in the applicable collective bargaining agreement granting the Superintendent authority to oversee school district staffing assignments and voluntary/involuntary transfers. Section 35035 (e) provides in relevant part:

“Subject to approval of the governing board of the school district assign all employees of the school district employed in positions requiring certification qualifications to the positions in which they are to serve. This power to assign includes the power to transfer a teacher from one school to another school at which the teacher is certificated to serve within the school district when the superintendent concludes that the transfer is in the best interest of the school district.”

The Rosemead School District and the Rosemead Teachers’ Association also agree that in the case of multiple affected teachers having the same seniority date, the layoff tiebreakers previously approved at the March 1, 2012, board meeting will apply.

14.4.5 Layoff Criteria

Order of layoff for teachers with the same date of first paid service shall be determined according to the following criteria:

1. Greatest number of years teaching with a credential issued within the United States.
2. Breadth of credential authorization.
3. Advanced degrees in assignment or credential-related subject areas.
4. Greatest number of post-BA accredited college units on file with the District in assignment or credential-related subject areas.
5. Date and time employee signed first employment contract.

14.4.5.1 Step 1 – Projected Staffing Needs

The Superintendent/designee and school site principals will monitor (on a monthly basis) the certificated staffing needs and student ratios for each school site during the school year. The designee will determine the number of full-time equivalency teaching positions needed for the new school year no later than February 1st of each year.

Decisions regarding layoffs must be made by February 1st in order to make timely decisions regarding layoffs/reductions in staff. Note: Teachers subject to layoff will be placed on the 39-month reemployment list which is separate from the Districtwide Reassignment List.

In order to make timely decisions regarding layoffs/reductions in staff, the district will notify and/or meet/confer with RTA to discuss potential staffing changes and/or layoffs on or before February 1st. Note: Teachers subject to layoff will be notified by March 15th and placed on the 39-month reemployment list which is separate from the Districtwide Reassignment List. (This language does not supersede or impede the rights of layoff authorized under the Education Code).

14.4.5.2 Step 2 - Displacement from Positions at a School Site/
Reconfiguration of Programs/Declining Enrollment/Elimination of Services

After February 1st, if a school site is determined (by the Superintendent/designee and school site principals) to be overstaffed, the number of teacher FTE's (full time equivalencies) by which they are overstaffed will be placed on the Districtwide Reassignment List. Those teachers with the least experience in the district, at that school, will be placed on this list. These teachers will have a position to be determined at a later time. If a school site is determined (by the Superintendent/designee and school site principals) to be staffed properly.

14.4.5.3 Step 3 – Reassignment due to Displacement

If a teacher needs to be reassigned due to displacement, the teacher can: 1) choose a new grade level assignment based on internally posted vacancies at his/her school or; 2) choose to go on the Districtwide Reassignment List. If the teacher chooses to go on the Districtwide/Reassignment list, he/she cannot later decide to return to the previously assigned position.

Shared Teaching Assignments

When a set of shared teachers agree to unwind their share teaching assignment, they must notify the district by February 1st of the current school year. The fully credentialed, permanent teachers will sign an agreement which includes the following:

- a) the shared teacher partner with more seniority in the district (based on the districtwide seniority list) will be able to retain the grade-level position they are currently in;
- b) the shared teacher partner with less seniority in the district will be considered displaced, and Step 3 of this language will apply;
- c) if the shared teacher partner with more seniority chooses to voluntarily forgo his/her seniority right to this particular position, he/she will submit such an agreement in writing and will be considered displaced; and the RTA Transfer and Reassignment Procedure will apply. *

*Voluntarily foregoing a seniority right for shared teacher partners or displaced teachers falls under the Transfer and Reassignment language, Step 3.

Additionally, once a teacher is on the Districtwide Reassignment List, (either voluntarily or involuntarily), job openings will be filled by order of placement on the districtwide seniority list.

Combination Grade Level Seniority

If a teacher accepts a combination class for a year, his/her school site seniority will be based on his/her last year at one grade-level assignment.

14.4.5.4 Step 4 – Districtwide Vacancies

Once grade level school assignments have been determined, the district will post all open positions (vacancies) districtwide (as per Article 14.3) and teachers may apply. Vacancies will be filled in the order of districtwide seniority of the qualified teachers who have applied. If there are any teachers still remaining on the Districtwide Reassignment List, their assignments will be determined by the Superintendent or designee in accordance with the provisions of this Article, and to best meet the educational needs of the district.

Teachers who have been placed (or volunteered to be placed) on the Districtwide Reassignment list due to loss of a position or loss of a grade level position will have priority placement in these vacancies by order of seniority as defined above. Following the closing of the districtwide posting, teachers will be notified of openings. These teachers will have 72 hours to select a position, at which point they will be moved to the bottom of the placement list, if they have not made a

decision or have not responded. It is the responsibility of the employee to provide current contact information during the summer break.

14.4.5.5 Step 5 – Transfer/Reassignment Changes

Transfer/reassignment changes to the above listed process may take place during the first two weeks of the beginning of the school year. If there are any remaining teachers on the Districtwide Reassignment List, the District will determine the placement of these teachers by seniority to best meet the educational needs of students.

14.4.5.6 Step 6 – Additional Positions

Any additional positions added to existing teacher staffing (after placement of Districtwide Reassignment List teachers) will be advertised for five (5) to seven (7) days (depending on the timing of the vacancy) per Article 14.3. Any vacancy resulting from this process will first be filled through internal advertising and any subsequent vacancies will be filled through the 39-month reemployment list, as required by Education Code, prior to any external advertising.

14.5.1.2 A teacher's request for transfer shall bear the signature of that teacher's present principal. Such signature is an acknowledgement only that the principal has been informed of the teacher's desire for transfer consideration. Such signature does not necessarily imply approval or disapproval of the principal, nor may the acknowledgement be withheld by the principal.

14.5.1.3 The filing of a request for transfer is without prejudice to the employee and shall not jeopardize the present assignment. A request for transfer

may be withdrawn by the teacher in writing at any time prior to official notification of transfer approval.

14.5.2 Remediation Program

Unit members who are on a remediation program as a result of an evaluation may not be considered for a voluntary transfer without special authorization from the Superintendent or designee.

14.6 Final Decision for Transfers/Reassignments

However, every effort will be made to give the unit member as much advance notice as possible. If the ten (10) days of advance notification for transfer or

reassignment is not possible, the unit member shall be provided two (2) days of release time.

14.7.2 Enrollment Requirements

When transfers or reassignments are necessary to meet enrollment changes at the start of the school year or for other reasons during the school year, affected unit members will be given at least three (3) days notice and two (2) days of release time. Written reprimands are used:

APPENDIX D – ADMINISTRATIVE REGULATION NO. 4128, CERTIFICATED PERSONNEL

ROSEMEAD SCHOOL DISTRICT

AR 4128(a)

Certificated Personnel Part-Time Teaching/Shared Teaching

Proposals submitted for part-time teaching/share teaching will be reviewed by a committee composed of principals and the Superintendent or designee who will submit their recommendations to the Superintendent.

Employees desiring to participate in a part-time teaching/share teaching assignment must submit their request to the Superintendent no later than May 1, 2017. The request shall be signed by the teachers and the principals involved in both the old and new job assignments. The signatures of the principals shall not indicate approval or disapproval. If a request is denied, the teachers shall receive a written response to their written proposal.

Effective July 1, 2017, if teachers wish to continue an existing part-time/share teaching assignment, initiate a part-time/share teaching assignment, or terminate a part-time/share teaching assignment, the deadline to notify the Superintendent or designee will be February 1st of each year.

Proposals submitted by teachers shall include:

1. How they will share the position.
2. Verification that their classroom philosophy is mutually acceptable and consistent.
3. Assurance that curricular and instructional strengths will be used to the best advantage for their students.
4. A specific plan which outlines tasks, schedules, curricular program, report cards, conferences, testing, etc.
5. A detailed plan for establishing communication with each other, students, staff, and parents.

Regulations:

Both teachers will be required to attend staff meetings on the days on which they are teaching, and evening activities unless prior approval is received from the principal. Both teachers will be required to attend Professional Development/student-free days, to be pro-rated in accordance with their assignment. Example: If the district has 8 professional development days on the work calendar, a 50% part-time teacher/shared teacher will be required to attend 4 of the 8 days. The additional days will be optional and compensated at a per diem rate for the additional PD days attended.

Teachers must be permanent and fully credentialed to qualify for a Shared Teaching Assignment.

Both teachers will substitute for one another when absent from class, unless extenuating circumstances preclude this.

Principals will submit two annual written evaluations, one prior to Winter Break and one prior to Spring Break, to the Superintendent, or designee, regarding the effectiveness of the program. If in the principal's opinion, the program is not working effectively, the Superintendent, or designee, will also be included in the evaluation process.

If it is the consensus of the principal, and/or Superintendent or designee that the program is not effective, the senior teacher or the permanent status contract teacher will become the full-time teacher and the other will take another assignment that may include daily substitute teaching at their contract daily rate.

For existing part-time/shared teaching assignments (established prior to 2017-18 school year: Both teachers will be required to be in daily attendance during the first five student school days and the last student school day of the academic year.

For new part-time/shared teaching assignments (beginning the 2017-18 school year):

Both teachers will be required to be in daily attendance during the first two weeks of student school days and the last student school day of the academic year.

After a part-time/shared teaching assignment team has completed a successful year and a new agreement has been approved by the principal and district office, both teachers will be required to be in daily attendance during the first five student school days and the last student school day of the academic year.

Leaves, such as sick leave, personal necessity, and bereavement will be prorated in accordance with a teacher's part-time/shared teaching assignment percentage.

Refer to Article XIV Transfer/Reassignment regarding shared teaching seniority guidelines.
