2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

Mildred B. Janson Elementary School is a TK to the 6th-grade site, one of five schools in the Rosemead School District, which is located twelve miles east of downtown Los Angeles. Janson was founded in 1945 and was recently named a 2023 California Distinguished School for exemplary academic achievement (only 6% of elementary schools in California). Janson's campus has been modernized to meet the 21st-century learning style, including physical and technological improvements.

The school consists of students and staff with rich multicultural and ethnically diverse backgrounds. Of the 656 students enrolled, 66.1 % are Asian, 28.2 % are Hispanic, 0.3% and are White. The students participate in a variety of academic support programs. 37% of the students are in the English Language Development program. Additionally, there are 65 students in the preschool program housed on our campus. Janson operates a Title 1 Schoolwide Program. 69% of the students receive free or reduced lunch.

Everyone works together to ensure quality education and success for all students. We continually strive to improve our program and provide our students with many academic and social opportunities. Janson school is an official "The Leader In Me, Lighthouse" school, the first to be named a Lighthouse school in California. In addition, Janson was recognized as a Legacy School, only the 2nd school in the world to reach this recognition. Each student and staff member understands the 8 Habits, and it is the common language here on our campus. We all believe that every student is a "Leader," and our job as educators is to find the leader in them and celebrate it. The hard-working staff is well-trained in the Leadership model and the 8 Habits. It is dedicated to making a positive difference for all of our students.

Working to provide the social emotional supports for all students is a challenge and it is even more important that our community understands the curricular and socio-emotional programs to support our students. Mildred B. Janson school is always willing to listen to suggestions to strengthen our strong teaching and learning program. We ask that you visit us on the web at www.rosemead.k12.ca.us/janson and check out our social media accounts.

2023-24 School Description and Mission Statement

A Message from the Superintendent:

Dear Members of the Rosemead School District Community,
The School Accountability Report Card is a comprehensive source of information that includes details on our schools, academic programs, achievements, instructional materials, facilities, and the dedicated professionals comprising our esteemed staff. At the core of our mission lies an unwavering commitment to delivering an educational program of unparalleled quality to our students.

Our pledge is to provide a stimulating atmosphere where students are not only encouraged but challenged to reach their maximum potential. We are resolute in our commitment to fostering a dynamic learning environment within the Rosemead Schools, wherein students actively engage with academic pursuits and develop positive values. The School Accountability Report Cards, which encapsulate comprehensive information about our district, further serve as a testament to our transparency and commitment to excellence. For more information about our district, I invite you to explore our website at <http://www.rosemead.k12.ca.us>.

Our school district encourages active participation from parents and the community through various avenues, including involvement in governance committees and volunteering opportunities within our schools and classrooms. Detailed information on engaging and contributing to our educational community can be obtained by visiting our schools or district office. Your involvement and support are instrumental in realizing our shared vision for an enriched educational experience.

Sincerely,

Alejandro Ruvalcaba, Ph.D.
Superintendent of Schools

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Rosemead School District sets a high priority on making high quality textbooks and materials available to support instructional programs. Rosemead School District held a public hearing and determined that textbooks, instructional materials, and science lab equipment were sufficient and of good quality at each school within the district, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own standards-aligned textbooks and instructional materials in core subjects for use in the classroom and at home. All textbooks and instructional materials are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Trustees. Rosemead School District follows the State Instructional Materials Adoption Cycle that reviews instructional materials in each curricular area within a six-year cycle. The chart below illustrates the textbooks currently in use at our school. All textbooks are in adequate supply and fair to excellent condition. 100% of students in each core subject area possess the necessary textbooks and instructional materials. Additional supplemental materials utilized to support students are iReady, Simple Solutions, RAZ-KIDZ, Imagine Learning, and Mystery Science.

The school's library is stocked with many books for students to check out, including books and materials in Spanish. Students visit the library on a weekly basis with their classes. The school also has a comprehensive leveled library of books for guided reading and English Language Development. Computers at the school are connected to the internet via a high speed connection so that students are able to access resources and information on-line and develop their research skills. The school is working to integrate computer skills and concepts across the curriculum. Students in grades kindergarten through six receive computer-assisted instruction on a weekly basis in our state-of-the-art computer lab. Every classroom is equipped with 1-to-1 Chromebooks. Every classroom also has iPads and iMac desktops. Software programs, including Accelerated Reader, Imagine Learning Language and Literacy and i-Ready help students to develop skills in reading, writing, math, and keyboarding.

School Facility Conditions and Planned Improvements

Built in 1948, with additions made in 1954 and 1997, Janson School facilities encompass 58,964 square feet. They consist of permanent classrooms, relocatable classrooms, a multipurpose room, administrative offices, and restrooms. The school recently upgraded the phone/intercom system allowing for the installation of phones and voicemail in all classrooms. A project to modernize all the kindergarten classrooms, student restrooms, and water fountains were completed in September 2006. A project to modernize the administration building and the second of three phases of a major electrical upgrade was completed in September, 2007. A branding project to improve the exterior and hallways of the school was completed in the summer of 2010. All classroom doors were painted and given a modern painted number to give all classroom doors a more modern look. Banners, street signs, and hallway signs were installed throughout the hallways along with a new school logo. During 2019 Janson replaced older Heating, Ventilation, and Air Conditioning (HVAC) units with new energy-efficient models as part of the Proposition 39 Clean Energy Jobs Act. Projects for roof replacement and repairs for 12 relocatable classrooms were made during the 2019-20 school year. In November 2021, the site underwent upgrades to the fire alarm system.

Maintenance and Repair

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer-based work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office. The site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. In response to the COVID-19 pandemic, cleaning protocols have been updated to include more frequent cleaning of common areas (i.e. restrooms) and include disinfectant fogging of all areas.

Deferred Maintenance Projects

Available Deferred Maintenance funds are used in conjunction with other available school facility funds to complete repairs or replacements as appropriate. The district's deferred maintenance needs are reviewed and updated annually.

The following chart displays the most recent facilities inspection.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	58	60	49	50	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at Janson School. The PTA has made generous contributions of time and money to numerous programs and activities. Janson School's programs have been greatly enriched by donations from the following organizations: Wells Fargo Bank, East/West Bank, Target, In n Out, TGIF, Hilton DoubleTree Hotel, and Panda Corporation.

Parents are encouraged to be involved in their child's education. Parents may attend school-wide events held throughout the school year, such as Winter Performance, Open House, Founders' Day, promotion ceremonies, parent conferences, and various parenting classes offered by Janson staff. Parents are kept abreast of school activities through our different communication platforms. Janson sends out monthly newsletters, weekly information packets, Connect Ed calls, Class Dojo messaging, the school's website, Back to School Night, and Open House. Parents are encouraged to attend the Principal's bi-monthly coffee chats, which cover current events, budget, program, and academic support for all students. The school and district community liaisons ensure that information is made available to parents in their home languages of English, Cantonese, Mandarin, Spanish, and Vietnamese. SSC and ELAC are also a time for parents to give opinion and feedback about budget and programs for all students.

The Leader in Me program has also provided a curriculum to host a Leader In Me Parent Night for all Janson parents. During this event, parents are educated on the 8 Habits and better understand our school's culture and vision. Janson school utilizes virtual meeting platforms, such as Zoom to support parent meetings and events.

Please contact the Principal at (626) 288-3150 for information and any questions.

2023-24 School Safety Plan

Janson School is a closed campus. During school hours, all entrances are secured to ensure visitors check in with the front office. All visitors must sign in and wear visitor badges during their stay. While visits by parents and community members are welcomed, anyone wishing to be on campus during school hours should notify the staff ahead of time. During lunch, breaks, and before and after school, yard supervisors and teachers supervise students and monitor the campus, including the cafeteria and playgrounds, to ensure a safe and orderly environment.

The district developed the Comprehensive Safe School Plan to comply with Senate Bill 187 of 1997. The plan provides students and staff with a means of ensuring a safe and orderly learning environment. The school safety plan includes the following requirements of SB 187:

- Current status of school crime
- Child abuse reporting procedures
- Disaster procedures, routine, and emergency
- Policies related to suspension and expulsion
- Notification to teachers
- Sexual harassment policy
- Provision of a school-wide dress code
- Safe ingress and egress of pupils, parents, and school employees
- Safe and orderly school environment
- School rules and procedures

The school evaluates the plan annually and updates it as needed. The plan was last updated and reviewed with school staff in October 2023. Safety procedures, including the Safe School Plan elements, are reviewed with school and district staff throughout the school year during various safety training opportunities and emergency drills. The safety plan was approved at the SSC meeting on September 27, 2023.

Professional Development

District:

Teachers, administrators, and other staff in Rosemead engage in a continuous improvement process through a variety of formats of professional development. After reviewing summative and formative data, including test scores, student, parent, and staff surveys, and outcomes related to school culture and social-emotional learning, district and site leaders along with content teams of lead teachers identify areas of districtwide focus for teacher and administrator professional development. This year, areas of focus for districtwide PD include:

- Multi-Tier System of Support (MTSS)
- Building Strong Tier I Instruction
- Engaging California English Learners through the Arts (ECELA)
- Positive Behavioral Interventions and Supports (PBIS)
- TCI History Alive! - Social Studies Adoption 2023
- The Science of Reading - Foundational reading

Site:

Professional learning occurs in a variety of settings. During our six professional development days, teachers attend workshops to learn instructional techniques, analyze their students' work, and collaboratively plan to implement the new methods. Teacher leaders are occasionally subbed out to attend "trainer of trainers" sessions, which they then facilitate for their peers across the district. Teachers and administrators often avail themselves of workshops and training provided by the Los Angeles County Office of Education, universities, curriculum publishers, and private education entities. Site principals provide individualized coaching and feedback on classroom teaching. Our new teachers who are eligible are encouraged to join the Beginning Teacher Support and Assistance (BTSA)/Induction program, through which they receive mentoring from experienced peers. Each August, teachers new to the district attend an orientation that introduces them to our district's key curriculum and initiatives. Both ELD/Intervention specialists and special education teachers have a professional learning session once per month to share best practices, analyze data, and align on processes and procedures related to the student groups they serve. Site principals come together weekly for data discussions, professional book groups, and collaboration and also conduct regular learning walks to provide peer feedback on site priorities.

In addition, the school has 75 minutes of professional development during two "late starts" each month and weekly grade-level collaboration time. Each grade level also meets with the school principal during Professional Learning Community (PLC) meetings twice a month. This year, areas of site focus include

- Leveraging educational technology to engage students
- Prioritizing Common Core Standards to accelerate learning and mitigate learning loss from school closures
- Best practices for supporting English learners with integrated ELD and for low performers in small group settings

Professional Development

Janson school has been able to continue to provide professional development in Google classroom and other Google Apps and attend Computers Using Educators conferences. Janson also continues to participate in The Leader in Me Coaching and community days and iReady coaching and continues to utilize staff meeting time to provide support in areas such as Google Apps, TLIM, iReady, and intervention strategies.
