2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

Since November 1988, state law has required all public schools receiving state funding to prepare and distribute a School Accountability Report Card or SARC. The purpose of the report card is to provide parents and the community with important information about each public school. A SARC is also a way for a school to report on its progress in achieving goals. Located in the San Gabriel Valley city of Rosemead, Emma W. Shuey Elementary School opened as Wells Street School in 1953. Shuey School is a pre-kindergarten through 6th grade elementary school with a current enrollment of 463 students. There are twenty-eight classrooms, a Resource Specialist Program, a Special Day class for grades 4-6, an intensive needs special education preschool class and an English Language Development/Intervention support class. Shuey's multi-ethnic population is comprised of 67.3% Asian, 28.8% Hispanic, 1.6% White, 0.2 % two or more races, and 0.4% African American. English Learners comprise 45.1% of the student population, and 69.2% of the students are socioeconomically disadvantaged.

Emma W. Shuey School's vision is to foster, in each and every student, a love of learning, a curiosity for discovery, strong work habits, and effective decision-making skills. Using the most current research-based tools and strategies, students will become creative thinkers and responsible citizens who respect diversity and who possess the academic skills and work habits necessary for sustained future success. Interactive Smartboards, one to one chromebooks, and voice amplification systems are utilized throughout the school. In 2023, Shuey School continually outperformed the Rosemead School District and the State of California on the Smarter Balanced Assessments (SBAC) in both English language arts (ELA) and mathematics. The 2023 California Dashboard illustrated that 64% of Shuey students met or exceeded in ELA compared to the District at 58%; and 61% of Shuey students met or exceeded in Math compared to the District at 51%. Students' social emotional well-being remains an area of critical focus. Honoring student voice and developing leaderships skills are cornerstones of our school. Both Leader in Me and PBIS are consistently implemented throughout the school. In 2022, Shuey was re-certified as a Lighthouse School. In 2023 Shuey School was awarded the PBIS Implementation medal at the Platinum level.

Building strong partnerships with parents and the community are vital to student success. All communication to parents is sent home in the 5 prevalent languages: English, Spanish, Mandarin, Cantonese and Vietnamese. Class Dojo and Black Board, which translates messages to parents in our most prevalent languages, have been effective in reaching out to our multi-lingual population. The synergy of dedicated and knowledgeable teachers and school staff, involved parents and community members, and hard-working, glorious students is built upon the incredible history of the school, creating a dynamic and exciting academic and child-centered environment.

Debra Letcher-Boeve, Ed.D., Principal

2023-24 School Description and Mission Statement

A Message from the Superintendent:

Dear Members of the Rosemead School District Community,

The School Accountability Report Card is a comprehensive source of information that includes details on our schools, academic programs, achievements, instructional materials, facilities, and the dedicated professionals comprising our esteemed staff. At the core of our mission lies an unwavering commitment to delivering an educational program of unparalleled quality to our students.

Our pledge is to provide a stimulating atmosphere where students are not only encouraged but challenged to reach their maximum potential. We are resolute in our commitment to fostering a dynamic learning environment within the Rosemead Schools, wherein students actively engage with academic pursuits and develop positive values. The School Accountability Report Cards, which encapsulate comprehensive information about our district, further serve as a testament to our transparency and commitment to excellence. For more information about our district, I invite you to explore our website at <http://www.rosemead.k12.ca.us>.

Our school district encourages active participation from parents and the community through various avenues, including involvement in governance committees and volunteering opportunities within our schools and classrooms. Detailed information on engaging and contributing to our educational community can be obtained by visiting our schools or district office. Your involvement and support are instrumental in realizing our shared vision for an enriched educational experience.

Sincerely,

Alejandro Ruvalcaba, Ph.D.
Superintendent of Schools

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Rosemead School District prioritizes making high quality textbooks and materials available to support instructional programs. Rosemead School District held a public hearing and determined that textbooks, instructional materials, and science lab equipment were sufficient and of good quality at each school within the district, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own standards-aligned textbooks and instructional materials in core subjects for use in the classroom and at home. All textbooks and instructional materials are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Trustees. Rosemead School District follows the State Instructional Materials Adoption Cycle that reviews instructional materials in each curricular area within a six-year cycle. The chart below illustrates the textbooks currently in use at our school. All textbooks are in adequate supply and fair to excellent condition. 100% of students in each core subject area possess the necessary textbooks and instructional materials.

The school's library is stocked with many books for students to check out. Students visit the library on a weekly basis with their classes during in person instruction. Protocols and procedures are being developed to allow students to check out books from the library safely during distance learning. The school also has a comprehensive leveled library of books for guided reading and English Language Development to support the Accelerated Reader Program. Computers at the school are connected to the internet via high speed connection so that students are able to access resources and information on-line and develop their research skills. The school is working to integrate computer skills and concepts across the curriculum. Students in grades TK through six receive computer-assisted instruction on a weekly basis in our state-of-the-art computer lab. Every classroom also has access to Chromebooks, iPads, a Smartboard and a voice amplification system. Software programs, including Accelerated Reader, Imagine Learning Language and Literacy, Fast ForWord, and i-Ready, help students to develop skills in reading, writing, math, and keyboarding.

School Facility Conditions and Planned Improvements

Built in 1953, with additions built in 1970 and 1997, Shuey School facilities encompass 53,268 square feet. They consist of permanent and relocatable classrooms, a computer lab, a multipurpose room, a library, administrative offices, and restrooms. A project to modernize two kindergarten classrooms, student restrooms, and water fountains were completed in September 2006. A project to modernize the administration building and the second of three phases of a major electrical upgrade was completed in September, 2007. Renovation of the kitchen and multi-purpose room was completed in January 2017. Roofing was replaced in the permanent classrooms in August 2016. During the summer of 2017, nine classrooms were demolished and replaced by 12 bungalows and new staff and student restrooms. During 2019 Shuey replaced older Heating, Ventilation, and Air Conditioning (HVAC) units with new energy-efficient models as part of the Proposition 39 Clean Energy Jobs Act.

Maintenance and Repair

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A computer-based work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office. The site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. In response to the COVID-19 pandemic, cleaning protocols have been updated to include more frequent cleaning of common areas (i.e. restrooms) and include disinfectant fogging of all areas.

Deferred Maintenance Projects

Available Deferred Maintenance funds are used in conjunction with other available school facility funds to complete repairs or replacements as appropriate. The district's deferred maintenance needs are reviewed and updated annually.

The following chart displays the most recent facilities inspection.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	58	62	49	50	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents and community members are strongly encouraged to become collaborative partners at Shuey School. The cornerstone of this collaborative partnership is communication. Parent meetings are held on zoom in all of the major languages: Mandarin, Cantonese, Spanish and Vietnamese. Parents receive a weekly Sunday phone call in all 5 languages informing them of the upcoming weekly events. Class Dojo is used in every classroom with the majority of parents connected. Parents are informed of class activities, assignments and school events through the app which also translates the message in all languages. We hold English Learner Advisory Committee and School Site Council meetings to support families, get parental input, and provide valuable information.

Parents are welcome to chaperone field trips and participate in PTA. PTA works closely with the school to organize family friendly night events, to raise funds for school field trips, and to assist with celebrations such as Read Across America. All parents are encouraged to participate in one or all of our PTA activities.

For information regarding school and district programs, please contact the school office at (626) 287-5221.

2023-24 School Safety Plan

School Safety Plan

All California public schools must develop a comprehensive school safety plan per California Education Code sections 32280-32289. The plan provides students and staff a means of ensuring a safe and orderly learning environment. The school district provides a compliance checklist to ensure that each school plan is comprehensive. Included in this checklist are assurances that stakeholders, including parents and School Site Council, are involved in the plan's development. Additionally, each school plan includes the following requirements: current status of school crime, child abuse reporting procedures, disaster procedures, routine, and emergency, policies related to suspension and expulsion, notification to teachers, sexual harassment policy, provision of a school-wide dress code, safe ingress and egress of pupils, parents, and school employees, safe and orderly school environment, and school rules and procedures.

Shuey School is a closed campus. During school hours, all gates are secured, and all visitors check in with the front office. During lunch, breaks, and before and after school, noon duty supervisors and teachers supervise students and monitor the campus, including the cafeteria and playgrounds, to ensure a safe and orderly environment.

Regularly scheduled fire, lockdown and earthquake drills are conducted, and procedures and revisions are made with each drill. The school district utilizes the Catapult Emergency Management System, which is an online system to alert all staff and first responders to emergency situations via their laptop, phones, iPads or other devices. All staff have been trained to use the Catapult system.

Additionally, staff has been trained to use a "Command Center" board, which provides a common point of documentation and record keeping during drills. Attendance and any other anomalies are reported to the "Command Center," which provides a central point for response. An emergency backpack has been distributed to all classrooms. The backpack holds the current attendance roster, evacuation procedures and maps, buddy lists, and lockdown procedures. Additionally, there is an emergency flip card, which gives instructions for each different disaster scenario including lockdown, fire, earthquake, etc.

2023-24 School Safety Plan

Lockdown buckets which contain food and toilet supplies are issued to every classroom and room on campus. Door blocks are used so that doors are kept in the locked position during the school day but the door is accessible to students and staff. Each year the school participates in the Great Shakeout Drill for earthquake preparedness.

The school evaluates the plan annually and updates it as needed. The plan was last updated on September 27, 2023, and was reviewed and adopted by School Site Council.

Professional Development

District:
Teachers, administrators, and other staff in Rosemead engage in a continuous improvement process through a variety of formats of professional development. After reviewing summative and formative data, including test scores, student, parent, and staff surveys, and outcomes related to school culture and social-emotional learning, district and site leaders along with content teams of lead teachers identify areas of districtwide focus for teacher and administrator professional development. This year, areas of focus for district-wide PD include:

- Multi-Tier System of Support (MTSS)
- Building Tier I First Best Instruction
- Engaging California English Learners through the Arts (ECELA)
- Positive Behavioral Interventions and Supports (PBIS)
- TCI History Alive! - Social Studies Adoption 2023
- The Science of Reading - Foundational reading

Professional Development

Site:

Professional development is held for staff, both certificated and classified, in Positive Behavior Intervention and Support (PBIS) and Leader in Me (LIM)/7 Habits. The PBIS staff lead team which includes classified and special education staff receives ongoing professional development from the LA County Office of Education. The Staff Lighthouse coach (LIM) and the principal receive ongoing professional development from the Franklin Covey Foundation. For both PBIS and LIM, information and expertise garnered through professional development are then shared with the rest of the staff during staff meetings.

Site-based Title I funds are allocated to each grade level for professional development. Teachers apply for professional development opportunities with an agreement that they share what they learned at a subsequent staff meeting. Teachers are also encouraged to attend professional development as a group to promote collaboration. Additional professional development is offered to teachers based on need and funds availability.
